The 1 Battle Tested Guide to Men's Purity Basic Training Phase One and Phase Two are powerful new resources in the Christian man's war for sexual purity Using World War II as a backdrop these books ask you the basic question Are you a spiritual Prisoner of War or a spiritual Paratrooper You have seen the statistics you know how bad it is Pornography is omnipresent Never before in the history of the world has so much evil been so instantly available Never before have children had such easy access to hardcore perversion Never before have so many men been so addicted to sexual sin In today's world there are only two options in the war for purity P O W or Paratrooper A P O W spends the war trapped in captivity useless to the war effort a threat to no one A P O W spends long miserable days behind barbed wire a slave to his captor's slightest whim A P O W is in many ways missing in action unable by virtue of his captive state to use his training unable to live up to his potential as a soldier Are you a prisoner of war Are you missing in action Thanks to the addictive power of sexual sin and constant easy access to pornography the vast majority of Christian men are now P O W and M I A Across the world Christian men are falling like flies hauled off to prison camp some never to be heard from again They cannot read the Bible or pray consistently the guilt is too powerful They sit in church feeling the weight and hypocrisy of all their sexual sin wondering if they will ever be free or trying to figure out yet another way to creatively justify and excuse their sin Trapped in the old sin confess sin confess cycle they lose hope and give up the fight Some even begin to question their salvation and their sanity These brothers are spiritual prisoners of war men who if they remain trapped in the bondage of sexual sin will never amount to anything in God's kingdom Does this describe you I was a P O W and M I A for many years Like many of you I started with masturbation and fantasy moved on to sex scenes in books graduated to pornographic magazines discovered cable porn and the Internet and finally started buying porn mags and videos Even a wonderful marriage did nothing to stop my long slide deeper and deeper into sexual sin and addiction How many Sundays did I sit in those pews just like you wondering when and if the madness would ever end Praise God I broke free when I did because the next stage of my addiction would have been adulterous affairs I would have lost everything Does any of this sound familiar to you Praise God I am a spiritual Paratrooper now There is nothing I love more than dropping behind enemy lines to help my brothers break out of prison camp Spiritual Paratroopers are just the opposite of spiritual Prisoners of War Paratroopers are dangerous men armed to the teeth feared by the enemy soldiers who are willing to lay it all on the line for their cause Paratroopers are deliberately dropped deep behind enemy lines Paratroopers cause havoc and panic far out of proportion to their numbers as they link up with their fellow troopers to establish beachheads in enemy territory How did I do it How did I make the switch from P O W to Paratrooper You will find the answer to that question in three unique books Basic Training Special Ops and Battle Stations These manuals are a unique combination of years of graduate level training years of experience as a professional counselor and pastor and years of

wisdom acquired through much suffering and success during my personal journey from sexual addiction to a lifestyle of consistent purity If you want to be a Paratrooper I am here to help push and pull you through the process So what s it going to be brother P O W or Paratrooper T A Davis *Kimball's Dairy Farmer* ,1918 **Portland Transcript** ,1845 **Youth's Companion** ,1907 **Musical Courier and Review of Recorded Music** ,1920 The Literary World ,1849 The Illustrated London News ,1869 **Bulletin of the Atomic Scientists** ,1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Power** ,1898
