Bullets In The Washing Machine:

Bullets in the Washing Machine Melissa Littles, 2011-09-14 Melissa Littles is the wife of a police officer. Through her writings of the life of a police officer's wife, she hopes to build a bridge across the country to unite all families of officers.

Sum Swerve Gabriel Leif Bellman, 2003-11-10 SUM SWERVE short stories. Add it up: these short stories, songs, poems, plays, and operas have been assembled with the meaning of life in mind for fun. Written by a silverback gorilla in Java, translated to C, encrypted, mailed to the admissions office of a California law school during the Great Depression, and then held in probate for forty years before slipping in off the waitlist, SUM SWERVE slices the imagination, massages the prostate, and is yours to keep for a low, low price. These short stories love you. You need them. Put under the unbalanced leg of your pool table when facing the devil in a game of 8-ball with nothing less than your soul stake; here are stories to steady your cue when two banks corner pocket comes around. Strike it, sink it, and in the end, it was all propped up on SUM SWERVE.

Wishful Drinking Carrie Fisher, 2012-02-02 No motive is pure. No one is good or bad, but a hearty mix of both. And sometimes life actually gives to you by taking away. Carrie Fisher, in *Wishful Drinking*. In *Wishful Drinking*, Carrie Fisher told the true and intoxicating story of her life with inimitable wit. Born to celebrity parents, she was picked to play a princess in a little movie called *Star Wars* when only 19 years old. But it isn't all sweetness and light sabres. Alas, aside from a demanding career and her role as a single mother, not to mention the hyperspace hairdo, Carrie also spends her free time battling addiction and weathering the wild ride of manic depression. It's an incredible tale from having Elizabeth Taylor as a stepmother to marrying and divorcing Paul Simon and from having the father of her daughter leave her for a man to ultimately waking up one morning and finding a friend dead beside her in bed. Carrie Fisher's star-studded career included roles in numerous films such as *The Blues Brothers* and *When Harry Met Sally*. She was the author of four bestselling novels: *Surrender in the Pink*, *Delusions of Grandma*, *The Best Awful*, and *Postcards from the Edge*, which was made into a hit film starring Shirley MacLaine and Meryl Streep. Carrie's experience with addiction and mental illness and her willingness to talk honestly about them made her a sought-after speaker and respected advocate. She was truly one of the most magical people to walk among us. Dictionary of Occupational Titles, Supplement, Edition III, United States Employment Service, 1945

Empathy Magdalen Powers, 2017-09-01 Humans relate to one another in many ways, but no connections are as deep as those built around shared experiences. Empathy invites us to feel others' feelings, to see the world how they see it. The world seems to need empathy now more than ever. This collection of essays, historical documents, stories, and poetry explores the American tendency to decide who is us and who is them in terms of race, sexuality, immigration status, ability, and other categories of difference. The collection offers readings of varying levels of difficulty and from a wide range of perspectives. This book features not just examples of empathy in practice, which shows readers what it looks like and invites participation in empathy, but also examples where empathy was needed in history and none was found. Selections include works by Marcus

Aurelius Kate Chopin Frederick Douglass Ralph Waldo Emerson Lawson Fusao Inada Harriet Ann Jacobs Emma Lazarus Barack Obama Franklin Delano Roosevelt Margaret Sanger Sonia Sotomayor Sojourner Truth and many more Dictionary of Occupational Titles. Supplement. Edition II. United States Employment Service,1943 *A Hacker Named "The Virus"* Neal Chadwick,2018-08-02 A Hacker Named The Virus Thriller by Neal Chadwick The volume of this book corresponds to 113 paperback pages He calls himself The Virus and he is one of the most notorious hackers of all time And he tries to make the coup of his life by cracking the access codes of the Pentagon computers and trying to sell them to the Chinese secret service Soon he will be a hunted man fighting for his life And the FBI investigators are the least of his problems

Dictionary of Occupational Titles ,1945 Supplement to 3d ed called Selected characteristics of occupations physical demands working conditions training time issued by Bureau of Employment Security *Bullet in the Night* Judith Rolfs,2014-04-18 An intricate tale of love and renewal Psychologist Lenora Lawrence lingers in a coma after being shot by a sniper as a web of intrigue unravels around her Her redemptive work with society s ex convicts and her personal counseling with vulnerable women has created many enemies in the resort town of Lake Geneva WI Lenora s colleague and good friend Jennifer Trevor intends to see that Lenora s sniper is brought to justice even if it means making deadly enemies herself
