, As a Fire by Burning Roger Standing, 2013 An exploration of the relationship between the day to day life of local churches and contemporary thinking

Moffatt, 2012-02-21 Each moment in your life comes with a purpose Although the purpose at times is taken for granted these moments when they arise bring forth a significant meaning for one's destiny and destination in life For example imagine how every person in this world has passed through a moment full of promises and opportunities but when that moment passes he or she has no way of knowing if it will ever rise again Apparently whatever the moment may be our lives are defined by the energy faith belief and action into bringing each moment to life so that it can transcend toward greater moments dreams and endeavors Each moment by all means is vital and the mark that one has left in this world will be measured by what he or she has achieved in the time allowed Thus what you do with your life today will define your dreams and destiny as each significant moment rises and the time that is given to it is taken away This book will help you Develop a greater sense of why each moment in life matters Believe in yourself to accomplish any impossible dream or goal Generate positive attitudes faith and unstoppable principles of action
