Business Advantage is the course for university and in-company learners, equipping them with the language they need to succeed in a business environment.

Business Advantage is based on a unique syllabus that combines current business theory, business in practice and business skills – all presented using authentic, expert input. The course contains specific business-related outcomes, making the material highly relevant and engaging.

The **business theory** lessons of the Advanced Student's Book contain input from leading business organisations, including:

- Cambridge Judge Business School, University of Cambridge
- ESSEC Business School, France
- Stanford University

The **business practice** lessons contain case studies on a wide range of companies, organisations and industry sectors, such as:

- Alibaba.com
- Rakuten
- Dyson
- NAFTA

The **business skills** lessons contain authentic content from real business meetings that will help improve learners' skills in areas such as presentations, negotiations, meetings and relationship-building.

In addition, there are **business writing** sections which will enable learners to produce a variety of effective written business communications.

Business Advantage is informed by the Cambridge Business Corpus and the Cambridge and Nottingham Spoken Business English Corpus – both part of the Cambridge English Corpus, a multi-billion word collection of real spoken and written English. It is the first business course to benefit from a spoken business English corpus, further guaranteeing that the language learnt is both natural and up-to-date.

The Student's Book comes with a **free DVD** of video case studies to watch after every two units. These are accompanied by free worksheets available on the **Business Advantage** website:

CAMBRIDGE ENGLISH CORPUS

The Cambridge English Corpus is a multi-billion word collection of written and spoken English. It includes the Cambridge Learner Corpus, a unique bank of exam-candidate papers.

Our authors study the Corpus to see how English is really used, and to identify typical learner mistakes. This means that Cambridge materials help students to avoid mistakes, and you can be confident the language taught is useful, natural and fully up to date.
