Japan Germany and Britain plenty of books on Astrology are available covering one or two topics but it cost much more than our buying capacity One has to read many books to master Astrology and also to predict the individual Horoscope Chart Our life is speedy It is ever active and is changing every moment Each one of us is facing difficulty at every step This book will facilitate to reach your destination by moving ahead with ease even in the storming situation This is so much strife and struggles in the present time as it was never before This is a time of ready made food and fast food Nobody has time to cook the food and then eat Only this feeling motivated me and necessitated making this book This is easily approachable and compact It is full of all information in one place to be referred easily and quickly by anybody whether busy in any profession I have tried to make clear what the correct astrology works is These are all correct facts figures collected from various books and incorporated here in a single book for the first time for use by the common men Behind all this there is my exhaustive study and collections More than the study is the presentation of the subject matter and even much more than the presentation of the subject matter is long years of experience and association with the astrology work all over India and abroad This gives authenticity to the book This book is a tool for the Jyotish Students the Beginners and the somewhat advanced Students and the Professionals too Many psychic services charge you as much as 50 75 or even 200 for a single reading of your life prediction but this book offers you a single instrument for reading as many as you want and that too at the cheapest rate The technically advanced matters allow you to deliver your reading to you accurately quickly and effectively Not only will your reading be incredibly accurate but also you will have it available to read and analyze at your own pace Besides this book offers you an opportunity to record your readings and readings of your family members by yourself Just realize that how much you are going to save on account of Horoscope readings for you and your family

The Art of Interpreting Horoscopes Gayatri Devi Vasudev ,2011-01-01 A comprehensive guide to the techniques of astrological interpretation The Art of Interpreting Horoscopes gives for the first time ever the definition of a Graha in astrology Shows how ancient classical dicta can be adapted and applied to contemporary charts to analyse Prim Ministerial Yogas Neechabhanga Raja Yoga Adhi Yoga and Celebrity Status Cases of Crime and Criminals Crime Investigation Possibility of Children and IVF Loss of Children Marriage from Navamsa Clues Factors for Love Marriage Swearing in charts Loss of Children India has always been an astrological society but at some point of time in the early part of the 20th century the educated began to develop a certain distaste for this ancient science largely because of the educational system in the country which distanced itself from the traditional branches of learning under a mistaken notion that by doing so it was proving its rational credentials However astrology being as good a science as any other of the modern ones has stood the test of time and in recent years has made a resurgent reappearance as a result of my revered father Father of Modern Astrology the Late Dr B V Raman s relentless efforts to propagate it as an academic subject Astrology has now captured the interest of large segments of the educated public The wave of resurgence has swept away this pseudo rationalist resistance bringing with it

the realization of the invaluable role astrology can play in helping cope with the ills of modern society There has been some kind of snowballing effect in educated circles both in our own country as well as in the west primarily the United States of America in their eagerness to retrieve revive and restore Jyotish to its pristine glory The ancient classical works on the subject are now being eagerly lapped up but the problem begins because of the times when the astrological rules were first formulated being so different from our own The author has made effort to adapt and apply these rules in the form of dicta Yogas and combinations to contemporary life in the process seeking to bridge the gap between the ancient rules and their application value to the present Navamsa in Astrology Chandulal S. Patel, The blessings of Shri Bala Chandrika has enabled me to place before the astrological fraternity a long needed treatise which is somewhat fulfilled by writing an independent and exclusive book on Navamsa techniques for the first time in English In Hindu predictive astrology Navamsa occupies an outstanding position and draws one's attention for deeper scrutiny and understanding The Navamsa techniques are very many as many as possible are dealt with in this book Students are advised to study not only the classical texts but also Nadi Granthas such as Deva Keralam Chandra Kala Nadi Dhruva Nadi Bhrigu Nadi etc for additional knowledge

Aspects in Vedic Astrology Gopesh Kumar Ojha, Ashutosh Ojha, 2002-10 Through astrologers are well aware that it is the aspects between planets which has been planets which add detail and definition to a birth chart there has been no single work which deals comprehensively with the theory and delineation of aspects in Vedic Astrology This book fills a void by providing a clear and concise treatment of the subject The authors have drawn their material from the ancient and medieval classics of Vedic astrology preserving the wisdom of the sages as well as granting their readers a wealth of insight into how the ancient dictums may be applied to contemporary life
