Revelations of a Melchizedek Initiate Joshua David Stone, 1998-10-01 This book traces the author s journey of ascension through the seven levels of initiation

through the process of anchoring and activating his fifty chakras expanding to a 99 percent light quotient then on to anchoring and fully activating all twelve bodies which include the five higher bodies Exactly how this is done is shared and in depth information is given on the workings of the inner plane ashram under the guidance of Djwhal Khul Lord Maitreya and Lord Melchizedek You are invited to journey with him as he unfolds the process of his initiations beginning at the sixth moving through the equivalent of the tenth initiation and into the beginning of the eleventh Written as a personal log this book shares in an open and candid manner dreams meditations conversations with the masters spiritual background thoughts and reflections and actual ascension experiences *Scopes of Dimensions* Janet McClure, 1989-06-01 A shift in consciousness has occurred on the planet during the past twenty five years marking a new moment in the evolution of humanity's consciousness concerning our relationship to Earth and to the cosmos We now accept that human beings are interacting with a living planet and we understand that this living planet has an energetic relationship to the galaxy We have also come to understand that the entire biological and energy system of this beautiful planet we live on is totally dependent on how humans treat the planet the environment and other life forms on Earth Biorelativity describes the ability of human beings to telepathically communicate with the spirit of the Earth The goal of such communication is to influence the outcome of natural Earth events such as storms volcanoes and earthquakes This book is a collection of channeled lectures through Arcturian Native American and other mystical guides transmitted in sessions from 2009 through early 2011 that describe
