Asceticism Today Adalbert de Vogüé,1991 Essays on the essential role of asceticism in spiritual growth Asceticism Today Felix M. Podimattam,1990 On Christian asceticism *Asceticism* Vincent L. Wimbush,Richard Valantasis,2002 The only comprehensive reference work on asceticism with a multicultural multireligious and multidisciplinary perspective Asceticism offers a sweeping view of an elusive and controversial aspect of religious life and culture Providing a broad historical and comparative perspective contributions by more than forty preeminent scholars in a wide range of fields and disciplines explore asceticism from antiquity to the present in European Near Eastern African Asian and North American settings An incomparable reference Asceticism offers a model for an understanding of a most important dimension of religious life *Asceticism and the New Testament* Leif E. Vaage,Vincent L. Wimbush,2002-09-11 As a complex historical phenomenon asceticism raises the question about ordinary impulses the orientation and practices the power dynamics and politics with transcendental religions The question of the role of asceticism has often been overlooked in examining the New Testament This book is both comprehensive and comparative in its representation of how the question of asceticism might reorder the way in which we interpret the New Testament Looking at the New Testament from an ascetic perspective asks questions about issues including the milieu of Jesus and Paul and the social practices of self denial and considers the Scriptural texts in light of a desire to separate oneself from the world In interpreting all the books in the New Testament this collection is the first effort to take seriously the crucial role played by asceticism and its detractors in the formation of the New Testament **Asceticism** Vincent L. Wimbush,Richard Valantasis,2002-05-23 From meditation and fasting to celibacy and anchoritism the ascetic impulse has been an enduring and complex phenomenon throughout history Offering a sweeping view of this elusive and controversial aspect of religious life and culture Asceticism looks at the ascetic impulse from a unique vantage point Cross cultural cross religious and multidisciplinary in nature these essays provide a broad historical and comparative perspective on asceticism a subject rarely studied outside the context of individual religious traditions The work represents the input of more than forty preeminent scholars in a wide range of fields and disciplines and analyzes asceticism from antiquity to the present in European Near Eastern African Asian and North American settings Asceticism is organized around four major themes that cut across religious traditions origins and meanings of asceticism which explores the motivations and impulses behind ascetic behaviors hermeneutics of asceticism which looks at texts and rhetorics and their presuppositions aesthetics of asceticism which documents responses evoked by ascetic impulses and practices as well as the arts of ascetic practices themselves and politics of asceticism which analyzes the power dynamics of asceticism especially as regards gender cultural and ethnic differences Critical responses to the major papers ensure the focus upon the themes and unify the discussion Two general addresses on broad philosophical and historical interpretive issues suggest the importance of the subject of asceticism for wide ranging but serious cultural critical discussions An Appendix Ascetica

Miscellanea includes six short papers on provocative topics not related to the four major themes and a panel discussion on the practices and meanings of asceticism in contemporary religious life and culture A selected bibliography and an index are also included The only comprehensive reference work on asceticism with a multicultural multireligious and multidisciplinary perspective Asceticism offers a model not only for an understanding of a most important dimension of religious life but also for future interdisciplinary study in general

Female Ascetics in Hinduism Lynn Teskey Denton,2012-02-01 Female Ascetics in Hinduism provides a vivid account of the lives of women renouncers women who renounce the world to live ascetic spiritual lives in India The author approaches the study of female asceticism by focusing on features of two dharmas two religiously defined ways of life that of woman as householder and that of the ascetic who for various reasons falls outside the realm of householdership The result of fieldwork conducted in Varanasi Benares the book explores renouncers social and personal backgrounds their institutions and their ways of life Offering a first hand look at and an insightful analysis of this little known world this highly readable book will be indispensable to those interested in female asceticism in the Hindu tradition and women s spiritual lives around the world

The Audacious Ascetic Flagg Miller,2015-01-11 In late 2002 over 1500 audiotapes were discovered in Kandahar Afghanistan in a house once occupied by Osama bin Laden The Audacious Ascetic is the first book to explore this extraordinary archive It details how Islamic cultural legal theological and linguistic vocabularies shaped militants understandings of al Qa ida and more controversially challenges the notion that the group s original adversary was America and the far enemy Miller argues that Western security agencies management of Bin Laden s growing reputation went awry When magnified through global media coverage narratives of al Qa ida s coherence were exploited by Osama and his militant supporters for their own ends Focusing on over a dozen previously unpublished speeches by Bin Laden as well as on discussions by top al Qa ida leaders and Arab Afghans Miller chronicles the Saudi radical s evolving relationship with a host of Muslim insurgencies that found his stripe of asceticism zuhd tactically useful especially when circulated via audiotape These recordings also reveal militants disenchantment when Bin Laden marginalized through the 90s began pandering to Western television networks in his attempt to direct heterodox Islamist armed struggles against America Such audio evidence exposes al Qa ida s lack of coordination before 9 11 and invites scrutiny of dominant narratives of Western law enforcement intelligence and terrorism analysts

Ascetics and Brahmins Patrick Olivelle,2011-12-15 This volume brings together papers on Indian ascetical institutions and ideologies published by Patrick Olivelle over a span of about thirty years Asceticism represents a major strand in the religious and cultural history of India providing some of the most creative elements within Indian religions and philosophies Most of the major religions such as Buddhism and Jainism and religious philosophies both within these new religions and in the Brahmanical tradition were created by world renouncing ascetics Yet ascetical institutions and ideologies developed in a creative tension with other religious institutions that stressed the centrality of family procreation and society It is this tension that has articulated many of the central

features of Indian religion and culture The papers collected in this volume seek to locate Indian ascetical traditions within their historical political and ideological contexts

Asceticism in Early Taoist Religion Stephen Eskildsen, 1998-10-01 Using a wide variety of original sources this book brings to light how and why asceticism was carried out by Taoists during the first six centuries of the common era It examines the practices of fasting celibacy self imposed poverty wilderness seclusion and sleep avoidance and it discusses the beliefs and attitudes that motivated and justified such drastic actions Asceticism in Early Taoist Religion demonstrates that although Taoist ascetics pursued austerities that were extremely rigorous they did not seek to mortify the flesh Through their austerities they almost always sought to improve their physical strength and health because they aspired toward physical longevity as well as spiritual perfection Even though they sometimes taxed their bodies severely they believed that their strength and health would eventually be restored if they persevered The highest goal was to ascend to divine realms in an immortal body However certain beliefs that emerged during this period particularly those influenced by Buddhism may have caused some Taoist ascetics to virtually abandon their concern with longevity and to focus disproportionately upon the perfection of the spirit Such ascetics were more likely to purposely harm and neglect their bodies contradictory as this may have been to the cherished ideals of the Taoist religion Eskildsen traces how this problem may have emerged and how it was viewed and dealt with by those who maintained the ideal of longevity

The Ascetic Imperative in Culture and Criticism Geoffrey Galt Harpham, 2011-01-15 In this bold interdisciplinary work Geoffrey Galt Harpham argues that asceticism has played a major role in shaping Western ideas of the body writing ethics and aesthetics He suggests that we consider the ascetic as the cultural element in culture and presents a close analysis of works by Athanasius Augustine Matthias Gr newald Nietzsche Foucault and other thinkers as proof of the extent of asceticism s resources Harpham demonstrates the usefulness of his findings by deriving from asceticism a discourse of resistance a code of interpretation ultimately more generous and humane than those currently available to us

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Asceticism Today Asceticism Today books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Asceticism Today Asceticism Today books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Asceticism Today Asceticism Today books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
