

The background is a stylized, colorful illustration. It features a winding river or path in shades of blue and green, flowing through a landscape with orange and yellow patches. In the foreground, there are palm trees and a small building with a red roof and a chimney. The overall style is reminiscent of mid-20th-century tropical art.

AN ELIZABETH CHASE MYSTERY

Ashes Of Aries Elizabeth Chase Mysteries

Martha C. Lawrence

Ashes Of Aries Elizabeth Chase Mysteries:

Ashes of Aries Martha C. Lawrence, I closed my eyes intent on quieting my thoughts the necessary first step in opening up psychically I relaxed my shoulders and took a deep breath through my nostrils I smelted smoke Sharp and pungent it hit the back of my throat tickling the mem brane I coughed and opened my eyes The nervousness I d been feeling all morning turned to fear Something s burning I warned When Matthew Fielding the four year old son of a San Diego telecommunications mogul turns up missing the psychic skills of P I Elizabeth Chase are requested The stakes are raised soon after Elizabeth begins her investigation when a wildfire breaks out in Rancho Santa Fe the secluded community where Matthew and his family and Elizabeth s own parents live Aided and abetted by the Santa Ana winds flames rage out of control consuming thousands of acres and dozens of homes Before the ashes can be cleared away another fire blazes through everything in its path Are the kidnapper and arsonist one and the same Will Elizabeth be able to find the clues she needs in the dying embers around her It s a race against time as man and nature combine to wreak destruction on Elizabeth s community and keep a little boy lost forever In the fifth installment of a series Sue Grafton referred to as a natural and a supernatural as well Martha C Lawrence once again combines the quirky and the familiar as her smart resilient and endearing heroine uses her psychic ability and incomparable detecting skills to hunt down a killer

Ashes of Aries Martha C. Lawrence, 2007-04-01 When Matthew Fielding the four year old son of a San Diego telecommunications mogul turns up missing the psychic skills of P I Elizabeth Chase are requested The stakes are raised soon after Elizabeth begins her investigation when a wildfire breaks out in Rancho Santa Fe the secluded community where Matthew and his family and Elizabeth s own parents live Aided and abetted by the Santa Ana winds flames rage out of control consuming thousands of acres and dozens of homes Before the ashes can be cleared away another fire blazes through everything in its path Are the kidnapper and arsonist one and the same Will Elizabeth be able to find the clues she needs in the dying embers around her It s a race against time itself as man and nature combine to wreak destruction on Elizabeth s community and keep a little boy lost forever In the fifth installment of a series Sue Grafton referred to as a natural and a supernatural as well Martha C Lawrence once again combines the quirky and the familiar as her smart resilient and endearing heroine uses her psychic ability and incomparable detecting skills to hunt down a killer

Pisces Rising Martha C. Lawrence, Just when you think you ve seen everything something new comes and astounds you The Dallas Morning News I moved through the casino in a daze my senses overloaded by lights noise and the discordant vibes of the gamblers Their emotions numbness excitement anxiety ecstasy love loathing clashed all around me I stopped at a game and that s when it all started I began to know things It s an unpredictable gift an ability I can t force to come about Nor can I stop it once it s begun I knew that the short haired brunette at the end of the table would lose In spite of her pretty white smile and positive attitude I could see her defeat As for me it was as if I d already played my hands and seen their outcome Tonight I was destined to win After seeing her fianc gunned

down at the end of her last investigation psychic detective Elizabeth Chase is reluctant to go back to detective work But when an old friend calls in a favor Elizabeth finds her unique talents pitted against her most brutal and baffling case yet the pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner Elizabeth soon learns that the tranquil setting of the Temecu reservation belies a dangerous undercurrent of political scheming racism and pure human greed As she struggles to figure out who can be trusted Elizabeth must call upon all of her resources not only to solve the crime but to restore her own spirit The first three Elizabeth Chase mysteries have been widely acclaimed by readers critics and other writers alike With a refreshingly eccentric style Martha C Lawrence makes psychic investigator Elizabeth Chase immensely appealing and totally believable says Diane Mott Davidson Or as Harlan Coben puts it You don't have to read the stars to see that Martha Lawrence is up there with the likes of Sue Grafton Sara Paretsky and Marcia Muller

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **San Diego Magazine**, 2001 *Pisces Rising* Martha C. Lawrence, 2010-04-01 Psychic private eye Elizabeth Chase finds her unique talents pitted against her most brutal and baffling case yet the pursuit of a vicious murderer wanted in connection with the scalping of a Native American casino owner Elizabeth soon learns that the tranquil setting of the Temecu reservation belies a dangerous undercurrent of political scheming racism and pure human greed As she struggles to figure out who can be trusted Elizabeth must call upon all of her resources not only to solve the crime but to restore her own spirit Elizabeth Chase is one of the most interesting private investigators in mystery fiction today Her psychic skills never provide a quick solution to the mystery rather they provide insight into people and give oblique clues

which Elizabeth must decipher The plot is well constructed and fast paced Writers Write **Aquarius Descending** Martha C. Lawrence, 2010-04-01 Martha C Lawrence s original and appealing heroine Elizabeth Chase is a licensed P I and parapsychologist who combines her psychic insight with old fashioned detective work Reluctantly persuaded to look into the disappearance of her boyfriend s ex fianc e into a cult Elizabeth goes undercover to investigate But have her unique powers finally met their match Lawrence writes a gripping believable story distinguished by a wise and sensitive narrative voice that even those skeptical of psychics will enjoy Publishers Weekly [The Cold Heart of Capricorn](#) Martha C. Lawrence, Now Elizabeth Chase returns in a case more dangerous than ever An increasingly violent rapist has been terrorizing San Diego but the lack of physical evidence at the scenes gives the police very little to go on Skeptical but desperate as the rapist edges ever closer the cops turn to Elizabeth for paranormal assistance Her first step is to hypnotize the victims hoping to unearth clues buried in their subconscious memories But when her interpretations have devastating results she tries to back off the case only to find herself drawing nearer and nearer to the deadly conclusion Martha Lawrence s parapsychologist detective cast a spell on me I couldn t put the novel down Linda Barnes author of Hardware **Aquarius Descending** Martha C. Lawrence, Torn McGowan Elizabeth s cop boyfriend asks her to take on a case that seems to be more in her line of work than in his The father of Tom s ex fianc e has come to him in desperation He fears a mysterious package he s just received means that his daughter who has disappeared into The Bliss Project must be dead or in terrible trouble Although Elizabeth is not too keen on the idea of accepting a case so close to home she didn t even know Tom had an ex fianc e and The Bliss Project s efforts at mind control threaten to wreak havoc on her finely attuned senses she agrees to investigate But infiltrating a cult is no easy matter especially one that seems to have as many secrets as this one and soon Elizabeth finds herself in a life and death battle that will lead to a shocking conclusion Just when you think you ve seen everything something new comes and astounds you The Dallas Morning News **The Publishers Weekly** ,2001
