Asian Regionalism Cornell East Asia Series

**Shaun Breslin, Christopher W.
Hughes, Nicola Phillips, Ben Rosamond**

Asian Regionalism Cornell East Asia Series:

Asian Regionalism Peter J. Katzenstein, 2000 Regionalism is of growing relevance to the political economy of Asia Pacific In the wake of the Asian financial crisis this timely volume investigates in four different chapters the dynamics of Asian regionalism during the 1980s and 1990s Specifically it focuses on Japanese and Chinese business networks in Northeast and Southeast Asia and the effects of economic monetary and financial policies on regional cooperation Asian regionalism is an important factor that both complements and shapes corporate strategies and government policies in a globalizing economy

Japan and East Asian Regionalism S. Javed Maswood, 2012-12-06 This book studies specific regional issues and problems exploring recent related political developments in Japan and how these might impact on future foreign policy priorities and objectives The expert body of contributors consider issues such as the nexus between domestic politics and foreign policy environmental aid and management human rights and democracy and conflict management

Beyond Japan Peter J. Katzenstein, Takashi Shiraishi, 2018-07-05 Have Japan's relative economic decline and China's rapid ascent altered the dynamics of Asian regionalism Peter Katzenstein and Takashi Shiraishi the editors of Network Power one of the most comprehensive volumes on East Asian regionalism in the 1990s present here an impressive new collection that brings the reader up to date This book argues that East Asia's regional dynamics are no longer the result of a simple extension of any one national model While Japanese institutional structures and political practices remain critically important the new East Asia now under construction is more than and different from the sum of its various national parts At the outset of a new century the interplay of Japanese factors with Chinese American and other national influences is producing a distinctively new East Asian region

East Asian Regionalism Christopher M. Dent, 2016-06-02 East Asia is one of the world's most dynamic and diverse regions and is also becoming an increasingly coherent region through the interplay of various integrative economic political and socio cultural processes Fully updated and revised throughout this new edition explores the various ways in which East Asian regionalism continues to deepen The second edition has been expanded to incorporate coverage of significant issues that have emerged in recent years including Growing tensions in the region over maritime territory and historical issues Competing regional free trade agreement negotiations The impact of the global financial crisis on financial co operation and engagement with global governance Obama's pivot to Asia and developments in US relations with East Asia The influence of new technology and social media on micro level regional relations The growing importance of new diplomacy issues such as energy security climate change food security and international migration Key pedagogical features include end of chapter study questions case studies that discuss topical issues with study questions also provided useful tables and figures which illustrate key regional trends in East Asia Extensive summary conclusions covering the chapter's main findings from different international political economy perspectives East Asian Regionalism is an essential text for courses on East Asian regionalism Asian politics and Asian economics

The Resurgence of East Asia Giovanni

Arrighi, Takeshi Hamashita, Mark Selden, 2004-02-24 Examines the rise of East Asia as one of the world's economic power centres from three temporal perspectives 500 years 150 years and 50 years each denoting an epoch in regional and world history and providing a vantage point against which to

A World of Regions Peter J. Katzenstein, 2015-05-01 Observing the dramatic shift in world politics since the end of the Cold War Peter J. Katzenstein argues that regions have become critical to contemporary world politics This view is in stark contrast to those who focus on the purportedly stubborn persistence of the nation state or the inevitable march of globalization In detailed studies of technology and foreign investment domestic and international security and cultural diplomacy and popular culture Katzenstein examines the changing regional dynamics of Europe and Asia which are linked to the United States through Germany and Japan Regions Katzenstein contends are interacting closely with an American imperium that combines territorial and non territorial powers Katzenstein argues that globalization and internationalization create open or porous regions Regions may provide solutions to the contradictions between states and markets security and insecurity nationalism and cosmopolitanism Embedded in the American imperium regions are now central to world politics

New Regionalism in the Global Political Economy Shaun Breslin, Christopher W. Hughes, Nicola Phillips, Ben Rosamond, 2002-08-22 Featuring a notable list of international contributors this book presents a systematic and stimulating discussion on regionalism covering topical issues such as recent financial crises enlargement within EU and the post Lome regionalism of Africa

The Global Economic Crisis and East Asian Regionalism Saori Katada, 2013-09-13 Regional cooperation in East Asia on various issue areas such as emergency liquidity mechanisms in finance the exponential growth of free trade agreements and policy coordination on the environment and public health developed rapidly after the Asian Financial Crisis A decade later the global financial crisis offered a new opportunity for the nascent regional cooperation mechanisms to acquire new depth and meaning this time however in a very different context due to the unfaltering rise of China How have inter state cooperation mechanisms which were devised originally to deal with the problems of the past crisis fared in the recent global economic turbulence Can regional integration effectively insulate East Asia from the vagaries of the international market Should East Asian nations heed the call for regionalism or globalism This volume not only offers one of the first assessments of how the global economic crisis has affected the prospects for regional integration in East Asia but it also addresses a number of long standing debates of interest to East Asian specialists economists and policymakers Are crises catalysts for revamping developmental models Do they provide solid foundations for regional solidarity and integration Can they help catapult countries into the global limelight This book was originally published as a special issue of The Pacific Review

Regionalism, Economic Integration and Security in Asia Jehoon Park, T. J. Pempel, Heungchong Kim, 2011-01-01 The prospects and value of economic integration and regionalism in Asia are increasingly evident in what could turn out to be the Asian Century It is within this context that this important book explores the critical economic issues security concerns and political themes pertinent to Asia in general

and to East Asia in particular The book features contributions by both Asian and Western scholars who take an interdisciplinary approach encompassing economics political science and culture They address various issues including the application of European experiences to Asia and blend regional country perspectives with broader external views from Russia and the US In conclusion the book suggests a tentative roadmap and future directions for an Asian community asserting the importance of cultural and value studies This objective analysis of Asian regionalism explores perspectives from both within and outside the region As such it will prove a fascinating read for academics and researchers practitioners and policy makers in a wide variety of fields including Asian studies economics public policy political economy international relations and regional science

China's Rise and Regional Integration in East Asia Yong Wook Lee, Key-young Son, 2014-03-05 With featuring far reaching diversities and disparities among the regional states in their political economic and social systems and cultural and religious orientations East Asia is a microcosm of international society at large Nevertheless there are unique dynamics unfolding in East Asia at the turn of the twenty first century namely the rise of China as a contender for regional and global hegemony and a set of collective initiatives to integrate the region into a harmonious community This book provides new arguments on China's rise and the transformation of East Asia and analyzes the foreign policy behavior of the regional states and relations among them In doing so the contributors show why and how China is rising and how China's rise shapes the emerging regional structures and institutions in East Asia Furthermore given the East Asian context where the world's second and third largest economies coexist with much smaller states and with China's ascendancy likely to continue this book challenges the pervasive dichotomy of hegemony and community This allows for a fuller and more nuanced account of China's role and the shifting regional policies in East Asia in which hegemonic cooperation does not necessarily lead to a hegemonic form of regional order Presenting strategic political economic and historical perspectives on China's changing role in the region and the development of regionalism *China's Rise and Regional Integration in East Asia* will be of great interest to students and scholars of Chinese politics Asian politics international relations and regionalism

Unveiling the Magic of Words: A Review of "**Asian Regionalism Cornell East Asia Series**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Asian Regionalism Cornell East Asia Series**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.

Asian Regionalism Cornell East Asia Series Introduction

In today's digital age, the availability of Asian Regionalism Cornell East Asia Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Asian Regionalism Cornell East Asia Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Asian Regionalism Cornell East Asia Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Asian Regionalism Cornell East Asia Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Asian Regionalism Cornell East Asia Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Asian Regionalism Cornell East Asia Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Asian Regionalism Cornell East Asia Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Asian Regionalism Cornell East Asia Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Asian Regionalism Cornell East Asia Series books and manuals for download and embark on your journey of knowledge?

FAQs About Asian Regionalism Cornell East Asia Series Books

1. Where can I buy Asian Regionalism Cornell East Asia Series books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Asian Regionalism Cornell East Asia Series book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Asian Regionalism Cornell East Asia Series books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

- Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Asian Regionalism Cornell East Asia Series audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
