Hayes, 2005-08-25 This volume contains the proceedings of Formal Methods 2005 the 13th International Symposium on Formal Methods held in Newcastle upon Tyne UK during July 18 22 2005 Formal Methods Europe FME www.fmeurope.org is an independent association which aims to stimulate the use of and research on formal methods for system development FME conferences began with a VDM Europe symposium in 1987 Since then the meetings have grown and have been held about once every 18 months Throughout the years the symposia have been notably successful in bringing together researchers tool developers vendors and users both from academia and from industry Formal Methods 2005 confirms this success We received 130 submissions to the main conference from all over the world Each submission was carefully refereed by at least three reviewers Then after an intensive in depth discussion the Program Committee selected 31 papers for presentation at the conference They form the bulk of this volume We would like to thank all the Program Committee members and the referees for their excellent and efficient work Apart from the selected contributions the Committee invited three keynote lectures from Mathai Joseph Marie Claude Gaudel and Chris Johnson You will find the abstracts papers for their keynote lectures in this volume as well

An innovation for the FM 2005 program was a panel discussion on the history of formal methods with Jean Raymond Abrial Dines Bjørner Jim Horning and Cli Jones as panelists Unfortunately it was not possible to reflect this event in the current volume but you will find the material documenting it elsewhere see the conference Web page **Field Manuals** United States.
