Assault On The Vatican:

Assault on the Vatican T. R. Haney, 2004-10-08 A psychological novel of international intrigue where in the near future a secret organization plots to take over the Roman Catholic Church and through it the whole world The Pope is totally unaware of the existence of this organization A priest the pastor of an inner city ghetto parish in Chicago gets caught up in the organization s plot With the help of his friends Celine and Gene Father Joseph Daniels Danny to his friends works to expose the plot and members of Viri Lucis Men of Light as he plumbs the depths of his own soul his hopes and doubts his dreams and frustrations his loves and disillusionments And all the while the secret organization grows stronger while Danny s friend and mentor Pope John Paul IV remains in the dark about the impending assault on the Vatican The main metaphor the author said is the contrast between practicing one s religion and living one s faith Hitler, the War, and the Pope, Revised and Expanded Ronald Rychlak, 2010-05-27 Was Pope Pius XII a Nazi Sympathizer For almost fifty years a controversy has raged about Pope Pius XII Was the Pope who had shepherded the Church through World War II a Nazi sympathizer Was he as some have dared call him Hitler s pope Did he do nothing to help the Jewish people in the grips of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church Let those who doubt but read Rychlak follow his exquisitely organized courtroom like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O Connor 1920 2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute **Clerical Sexual Abuse** Jo Renee Formicola, 2014-10-01 The book discusses the changing relationship between American Catholic Bishops and civil authorities in the United States as civil authority has eclipsed traditional Catholic ecclesiastical privilege and clerical exemption resulting from the hierarchical mismanagement and cover up of clerical sexual abuse in the United States **Rape and Sexual Assault** Alison E. Hatch, 2023-01-18 This authoritative one stop resource helps readers understand the problem of sexual assault in the United States including societal factors notorious cases laws and practices victim advocacy and reform

efforts and keys to recovery It discusses who is being victimized who is perpetrating the offenses and what can be done and is being done to reduce rape sexual assault and sexual harassment in homes and communities across America The volume also explores the role that investigative shortcomings and rape culture have played in facilitating sexual assault and abuse and how shifts in attitude and policy could combat this devastating crime

The Catholic Sexual Abuse Scandal Jerry J. Paresa, 2021-09-23 An enduring solution starts with the correct diagnosis The Catholic Clergy Sexual Abuse Scandal has haunted the lives of its victims and the Catholic community at large for decades Even today it continues to undermine the credibility of the Church and dishearten its faithful Catholics remain rightfully frustrated and disappointed as Church leaders try to move beyond this ugly chapter without creating a cohesive plan to address the underlying issues that contributed to the scandal in the first place Media coverage has often oversimplified these contributing factors leaving many with the impression that simplistic solutions can fix the Church's problems This is not the case Written from an insider's perspective this book strives to dispel unhelpful caricatures and more fully examine the broad contextual and aggravating factors that make the Catholic Clergy Sexual Abuse Scandal It is heavily researched work designed to help parishioners priests and Church leaders more clearly consider the complexities of the crisis so that they may continue to make informed concrete and effective steps to heal the Church and its people

Dealing with Child Abuse and Neglect as Public Health Problems Jack C. Westman, 2019-03-23 This thought provoking volume defines child abuse and neglect as a public health crisis both in terms of injuries and mental health problems and as a link to poverty and other negative social outcomes The author identifies key factors contributing to this situation in particular juvenile ageism the pervasive othering of children and youth coupled with the assumption of parental competence until severe abuse or neglect proves otherwise The book's practical answers to these complex issues involve recognizing and balancing the rights of parents and children and responding to the diverse needs of new competent and dysfunctional families To this end a comprehensive prevention model is outlined featuring primary secondary and tertiary interventions Included in the coverage Child abuse and neglect in the United States The impact of juvenile ageism on individuals The devaluation of parenthood The rights and needs of newborn babies and young children Overcoming our crisis recoil response Barriers to change and hope for the future Dealing with Child Abuse and Neglect as Public Health Problems should engage professionals in the public health healthcare and social services sectors It should also attract parents in struggling families as well as other laypersons such as policymakers and child advocates interested in improving current social conditions

Russian 'Hybrid Warfare' and the Annexation of Crimea Kent DeBenedictis, 2021-11-04 Western academics politicians and military leaders alike have labelled Russia's actions in Crimea and its follow on operations in Eastern Ukraine

as a new form of Hybrid Warfare In this book Kent DeBenedictis argues that despite these claims the 2014 Crimean operation is more accurately to be seen as the Russian Federation s modern application of historic Soviet political warfare practices the overt and covert informational political and military tools used to influence the actions of foreign governments and foreign populations DeBenedictis links the use of Soviet practices such as the use of propaganda disinformation front organizations and forged political processes in the Crimea in 2014 to the Warsaw Pact invasion of Czechoslovakia in 1968 the Prague Spring and the earliest stages of the invasion of Afghanistan in 1979 Through an in depth case study analysis of these conflicts featuring original interviews government documents and Russian and Ukrainian sources this book demonstrates that the operation which inspired discussions about Russian Hybrid Warfare is in fact the modern adaptation of Soviet political warfare tools and not the invention of a new type of warfare Crisis and Challenge in the Roman Catholic Church Debra Meyers,Mary Sue Barnett,2020-07-07 This volume explores the historical theological sociological and ethical dimensions of the current issues threatening the two thousand year old Roman Catholic Church The interdisciplinary analysis contained within the volume exposes the destructive convictions and actions of the Roman Catholic clergy that has produced the current institutional crisis while suggesting options for moving forward Documenting the cases that constitute the many crises currently surrounding Catholicism the volume aims to provide clarity and conscience At the same time with a constructive vision of an ethics and religious practice rooted in integrity and transparency the authors offer a path towards holistic and holy reformation by and for Catholics
