Bad Blood Taylor Swift Audio:

The Words and Music of Taylor Swift James E. Perone, 2017-07-14 This scholarly analysis of the music of Taylor Swift identifies how and why she is one of the early 21st century's most recognizable and most popular stars. By the age of 13, singer-songwriter Taylor Swift had already inked a development deal with a major record label. This early milestone was an appropriate predictor of what accomplishments were to come. Now a superstar artist with an international fanbase of millions and several critically acclaimed and commercially successful albums, Swift has established herself as one of the most important musicians of the 21st century. This accessible book serves Taylor Swift fans as well as students of contemporary popular music and popular culture, critically examining all of this young artist's work to date. The book's organization is primarily chronological, covering Taylor Swift's album and single releases in order of release date while also documenting the elements of her music and personality that have made her popular with fans of country music and pop music across a surprisingly diverse age range of listeners. The chapters address how Swift's songs have been viewed by some fans as anthems of empowerment or messages of encouragement, particularly by members of the LGBTQ community, those who have been bullied or been seen as outsiders, and emerging artists. The final chapter places Swift's work and her public persona in the context of her times, with respect to her use of and relationship with technology, for example, her use of social media and songwriting technology, and her expressions of a new type of feminism that is unlike the feminism of the 1970s.

Electronic Media Norman J. Medoff, Barbara K. Kaye, 2016-12-01 *Electronic Media: Then, Now, and Later* provides a synopsis of the beginnings of electronic media in broadcasting and the subsequent advancements into digital media. The 'Then, Now, and Later' approach focuses on how past innovations laid the groundwork for changing trends in technology, providing the opportunity and demand for evolution in both broadcasting and digital media. An updated companion website provides links to additional resources, chapter summaries, study guides, and practice quizzes, instructor materials, and more. This new edition features two new chapters: one on social media and one on choosing your entertainment and information experience. The then-now-later thematic structure of the book helps instructors draw parallels and contrasts between media history and current events, which helps get students more engaged with the material. The book is known for its clear, concise, readable, and engaging writing style, which students and instructors alike appreciate. The companion website is updated and offers materials for instructors, including IM PowerPoint slides and a test bank.

Taylor Swift Helena Hunt, 2019-09-17 Get inside the head of one of the most influential musicians of our time with this collection of her most inspiring and revealing quotes. The quotations in this book have been carefully curated from Taylor Swift's numerous public statements, interviews, op-eds, social media posts, and more. It's a comprehensive picture of her meteoric rise to the top, her ever-savvy business sense, and her increasingly forthright perspective on the music world and beyond. Swift's catchy, chart-topping songs have propelled her to become one of the bestselling musicians of all time. But in the more than fifteen years she's been making music, she has also

amassed enough power to buck the norms of an industry notorious for controlling the images of its often very young female artists She stood up for herself and for other artists championing their rights to fair royalties and inspired tens of thousands of fans to register to vote Swift's achievements have earned her spots on both Forbes's Most Powerful Women and Time's 100 Most Influential People lists Now for the first time you can find her most inspirational thought provoking quotes in one place
