Career Re-Invention in the Post-Pandemic Era Hai-Jew, Shalin, 2022-02-04 Long before the COVID 19 pandemic humanity was

facing economic hardships with human jobs going to automation AI and machines In the downward slope of the pandemic large percentages of the world s population are without work and many are still in isolation and social distancing for biosafety and health If it is true that crisis brings out opportunities then this is a highly opportune moment for humanity to redefine and move forward Career Re Invention in the Post Pandemic Era explores how people in their respective localities are adapting for a new economy through new understandings of the world and concomitant reconceptualizations of the self This work addresses how people are thinking of the present and the near future how people are surviving the present moment of sparsity and shortages and how people are retooling themselves to adapt to a new economy Covering topics such as digital skills K 12 education and entrepreneurship this book is an essential resource for faculty of higher education K 12 administrators government officials business leaders entrepreneurs sociologists economists researchers and academicians

Unleashed Peter J. Bellini, 2018-10-31 The ministry of casting out demons is either entirely dismissed on one hand or misused and abused on the other A closed system natural worldview utterly rejects the notion of a spirit world with spirit beings To the other extreme some shortsighted deliverance ministries reject the validity of the health professions and identify every problem in the life of the believer as demonic The theology of these ministries fails to account for the power of the cross and its daily application in the life of the believer as the normal way in which God delivers from sin and evil All challenges in the life of the believer do not necessitate a deliverance session *Unleashed* is a book that offers a balanced perspective on these matters including an instrument that can be used to assist in discerning the probable need for deliverance The C1 13 instrument is revolutionary transcending the usual inventories by applying variables that are key factors to differentiating degrees of demonic influence The instrument is also distinct due to its integrative approach that cross references the work of other professional fields to arrive at a comprehensive picture of the problem and thus a more extensive and effective treatment
