Mistress of the Monarchy Alison Weir, 2009-01-27 A stunning portrait of Katherine Swynford a royal mistress who became one of the most crucial figures in the history of Great Britain from the New York Times bestselling author hailed as the finest historian of English monarchical succession writing The Boston Globe Weir brings alive the brilliant beauty whose descendants would sit on the British throne USA Today Born in the mid fourteenth century Katherine de Ro t was only twelve when she married Hugh Swynford an impoverished knight But her story had truly begun two years earlier when she was appointed governess to the household of John of Gaunt Duke of Lancaster and fourth son of King Edward III Widowed at twenty one Katherine became John's mistress and then after many twists of fortune his bride in a scandalous marriage
