

ACA Exam Practice Questions & Answers

1. It has been said that "The French Revolution marked the beginning of a new era in archives administration." Which of the following developments makes the French Revolution such a watershed in archival history?

- 1) It was during this time that the principle of the accessibility of archival records to the public was established.**
- 2) Beginning in 1789, government offices initiated the practice of permanently retaining both incoming and outgoing copies of official correspondence.**
- 3) French archivists from that period established the theory that archival records should be appraised on the basis of evidential and informational value.**
- 4) It marked the first time that a government agency codified the different roles of public librarians and archivists who keep public records.**
