ACT in Klinik und Tagesklinik Nina Romanczuk-Seiferth,Ronald Burian,Albert Diefenbacher,2021-01-13 Acceptance and commitment therapy ACT is one of the modern evidence based methods of behavioural therapy According to this approach psychological problems and illnesses are based on unfavourable learning processes and can therefore be modified by new experiences In ACT it is

central to provide an individual with the basic skills and competencies needed for the best possible degree of psychological flexibility Psychological flexibility is an important prerequisite for human well being It allows people to adapt to a wide variety of situations and to create a fulfilling value oriented life for themselves As psychotherapy approach used for several disturbances ACT is increasingly finding its way into the treatment services provided by both in patient and outpatient departments This book is the first comprehensive specialist publication to focus on the application of this therapeutic approach in hospital settings and to present ways of implementing it using multiprofessional teams and for different target groups in a practical manner

Bikram Yoga Bikram Choudhury, 2007-04-03 Bikram the hot yoga program has been heating up the yoga world lately and its founder probably has something to do with it The outspoken dramatic and always controversial Bikram Choudhury has garnered a lot of attention with his version of hatha yoga that some yogis think unorthodox In his classes students are stuck in a room heated to at least 105 degrees doing a structured program of 26 asanas with a sergeant like instructor and they love it Bikram Yoga will emulate that same energy With his take no prisoners philosophy Bikram describes how the program can reap great medical physical and spiritual benefits the poses work out every part of the body all of which can help alleviate many common ailments from asthma to back pain Photographs will accompany each pose In addition the book offers the best ways to incorporate eastern philosophy into a western lifestyle and tips on how yoga can cultivate a union between body and spirit Simply put you don t have to meditate passively to reap the benefits of yoga

Bikram Yoga : The Original Hot Yoga Bikram Choudhury, 2013-07-18 Leave your assumptions and your excuses at the door Bikram Choudhury the world s foremost authority on Hot Yoga is here to show you the true way to self improvement and a new love of life Based on a centuries old and scientifically proven pathway to health Bikram Yoga will whip your body mind and spirit into shape Bikram s signature program of twenty six postures and two breathing exercises will help you combat a variety of afflictions from stress and insomnia to arthritis and back pain and maintain exceptional health for years to come The various postures work your muscles increase flexibility and flush toxins out of your system a completely natural full body workout without the unhealthy stresses and dangers of a gym Additionally Bikram Yoga can help you do much more than drop inches from your belly Bikram explains how practicing yoga is also a mental and spiritual mission that can help you create a path to true happiness When it comes to love and marriage realizing your full potential or living a life in perfect balance Bikram s yogic philosophy shows you how physical strength and flexibility can be a gateway to mental clarity and spiritual calm So are you ready to achieve lasting health and happiness The time has come for Bikram Yoga Grab your mat and get ready to change your life

American Book Publishing Record , 2007 **Hot Yoga** Marilyn Barnett, 2004 Hot Yoga is based on Bikram Yoga Bikram yoga is a system offering a series of 26 postures designed to restore vitality heal and help prevent a range of common chronic ailments It differs from traditional yoga as it performed in a heated room equipped with mirrors hence the name hot yoga which Bikram himself does not use The room is heated to at least 100F

38C The postures are easy to learn and can be approached from any level of strength and flexibility The theory is that when the body is cold it is difficult to move Warmed up muscles make the body more pliable so that you can achieve a deeper stretch The heat also helps to flush out toxins and impurities Stretching in the heat is actually very comfortable and I sensed my body opening up in a way it simply can't do at lower temperatures In short I am addicted Evening Standard February 2000
