Benn, 2013-09-03 March 1944 US Army Lieutenant Billy Boyle back in England after a dangerous mission in Italy is due for a little R R and also a promotion But the now Captain Boyle doesn't get to kick back and enjoy his leisure time because two upsetting cases fall into his lap at once The first is a personal request from an estranged friend Sergeant Eugene Tree Jackson who grew up with Billy in Boston is part of the 617th Tank Destroyers the all African American battalion poised to make history by being the US Army's first combatant African American company But making history isn't easy and the 617 faces racism at every turn One of Tree's men a gunner named Angry Smith has been arrested for a crime he almost certainly didn't commit and faces the gallows if the real killer isn't found Tree knows US top brass won't care about justice in this instance and asks Billy if he'll look into it But Billy can't use any of his leave to investigate because British intelligence agent Major Cosgrove puts him on a bizarre and delicate case A British accountant has been murdered in an English village and he may or may not have had some connection with the US Army Billy doesn't know because Cosgrove won't tell him Billy is supposed to go into the village and investigate the murder but everything seems fishy he's not allowed to interrogate certain key witnesses and his friends and helpers keep being whisked away Billy is confused about whether Cosgrove even wants him to solve the murder and why The good news is the mysterious murder gives Billy an excuse to spend time in and around the village where Tree and his unit are stationed If he's lucky maybe he can get to the bottom of both mysteries and save more than one innocent life

A Bitter Wind James R. Benn, 2025-09-23 To solve a murder at an English airbase US Army Captain Billy Boyle must immerse himself in the fascinating and secretive world of WWII radio espionage Christmas Day 1944 After his last mission put him in the tailspin of the Battle of the Bulge Captain Billy Boyle travels to southeast England to visit his girlfriend Diana Seaton for a brief holiday respite Diana is engaged in classified work at RAF Hawkinge including Operation Corona which recruits German speaking Women's Auxiliary Air Force members many of them Jewish refugees from the Kindertransport rescue to countermand German orders and direct night fighters away from Allied bombers It's fascinating and critical espionage work but it's laced with peril as Billy finds out On a scenic Christmas walk along the White Cliffs of Dover Billy and Diana stumble upon the dead body of a US Air Force officer In the dead man's pocket are papers with highly confidential information about radio interception operations Information worth killing over As Billy digs into the secret world of codebreakers and radio jammers stationed at Hawkinge another body turns up Now Billy must find out what connects these two men and who was so hell bent on silencing them Enlisting the help of his long time associates Billy undertakes another thrilling investigation that brings him to war torn Yugoslavia where he must rescue an

Benn, 2015-09-01 In the Pacific during WWII Billy Boyle must discover if skipper and future president Jack Kennedy is a cold blooded killer 1943 In the midst of the brutal hard fought Solomon Islands campaign between the Allies and the Japanese forces Lieutenant Billy Boyle receives an odd assignment he's sent by the powerful Kennedy family to investigate a murder in which PT skipper and future president Jack Kennedy has been implicated The victim is a native coastwatcher an allied intelligence operative whom Kennedy discovered on the island of Tulagi with his head bashed in That's Kennedy's story anyhow Kennedy was recovering in the Navy hospital on the island after the sinking of his PT 109 motor torpedo boat The military hasn't decided yet whether to make him a hero for surviving the attack or have him court martialed for losing the boat and the last thing the Kennedy clan wants is a murder charge hanging over his head Billy knows firsthand that he shouldn't trust Jack the man is a charmer a womanizer and when it suits his needs a liar But would he kill someone in cold blood And if so why The first murder is followed by two more and to find the killer Billy must sort through a tangled shifting web of motives and identities even as combat rages all around him
