Biographical Preaching R. Larry Overstreet, A practical guide for pastors on how to bring Bible characters to life for a modern audience through biographical preaching Proclaiming the Whole Counsel of God Steve D. Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God **Thirty-Minute Sermons** Caleb Nathanael McIntosh, 2013-04-29 This book is birthed out of a desire to meet the need of the 21st century pastor and church leader He or she has such an intense demand on their time and attention 24 7 This book is for you It is designed to help you put your thoughts together around a theme and share Gods word with your congregation and still keep all your various commitments in your busy lifestyle The greater part of this book is a collection of sermons that I have preached for over three decades This is the time that I have been in active ministry in the Lords Church to date Some of the sermons you may recognize you or a family member may have been in the audience on those occasions or you may have seen me on television **Hear Ye the Word of the Lord** D. Brent Sandy, 2024-03-12 In today s reading culture it is easy to forget that we receive God s message far differently from how the original hearers would have heard it D Brent Sandy explores how oral communication shaped biblical writers and ancient hearers and provides constructive ways for modern readers to be better hearers and performers of Scripture Persuasive Preaching R. Larry Overstreet, 2021-06-01 Michael Dudit executive editor of Preaching Magazine writes in the foreword that the reader will find in this book a valuable discussion of what persuasion really is what the Bible has to say about it how it is modeled in the New Testament and what role persuasion should and should not play in our own preaching in the twenty first century The author has provided solid biblical content and practical guidance that will be a powerful resource for preachers and church leaders He writes with clarity and dare I say it persuasive power I hope you will be as blessed by this book as I have been Publisher Christ-Centered Preaching Bryan Chapell, 2018-05-15 In this complete guide to expository preaching Bryan Chapell teaches the basics of preparation organization and delivery the trademarks of great preaching This new edition of a bestselling resource now updated and revised throughout shows how Chapell s case for expository preaching reaches twenty

Kruger, 2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew s Gospel and the Hebrew sermon The book s uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice **We Have Heard That God Is with You** Rein Bos, 2008-08-20 A perfect tool for busy preachers who want to faithfully proclaim God s Word The preparation of sermons on Old Testament texts confronts preachers time and time again with such questions as How can I connect an Old Testament text with the situation of my congregation today in a responsible way and What is the role of Jesus in that connection In this practical scholarly guidebook Rein Bos tackles such questions and offers thoughtful answers We Have Heard That God Is with You gives pastors a creative and innovative grammar to preach the Old Testament in a Christian context Bos offers multiple examples from American sermons to illustrate how his model can be used in sermon preparation and how it can serve the practice of preaching Each chapter is a rich meal for the busy preacher looking for creative relevant options for sermons that are faithful to Scripture **Bible Characters, Volume 1** , **Bible Characters** Alexander Whyte, 1896
