The High Hallow: Tolkien's Liturgical Imagination Ben Reinhard, 2025-01-01 J R R Tolkien famously described The Lord of the Rings as a fundamentally religious and Catholic work But while these words have been widely and enthusiastically quoted in Catholic studies of Tolkien's legendarium readers have not always paid sufficient attention to what Catholic and religious would have meant to Tolkien himself To do so is to misunderstand the full import of the phrase From his childhood as an altar server and junior inmate of the Birmingham Oratory to daily Mass with his children as an adult Tolkien's Catholic religion was at its heart a liturgical affair To be religious and Catholic in the Tolkienian sense is to be rooted in the prayer of the Church The High Hallow Tolkien's Liturgical Imagination takes this claim seriously The Lord of the Rings and Tolkien's myth as a whole is the product of an imagination seeped in liturgical prayer In the course of its argument the Ben Reinhard examines the liturgical pieties that governed Tolkien's life from childhood to old age the ways in which the liturgy colored Tolkien's theory of myth and fantasy and the alleged absence of religion in Middle earth Most importantly he shows how the plots themes and characters of Tolkien's beloved works can be traced to the patterns of the Church's liturgical year

The Road Goes Ever On and On Jeb Smith, 2023-04-12 Engrossing Tolkien's principles patriotism Medievalism localism Catholicism are certainly out of fashion today And yet they're the foundation for all his books which have sold hundreds of millions of copies Mr Smith does a wonderful job of explaining why modern readers are so enthralled by Tolkien's reactionary vision Whether you're a casual Lord of the Rings fan or a serious Tolkien scholar every page of Mr Smith's book will delight and fascinate And if anyone ever tells you that fairy tales are only for children hand him this book Tolkien ought to be regarded as one of the great social

critics of our time as Mr Smith so masterfully demonstrates Michael Warren Davis is an editor for Sophia Institute Press and the author of *The Reactionary Mind Why Conservative Isn't Enough* You can find him on his blog *The Common Man* As the popularity of Tolkien's work continues to endure the importance of Jeb Smith's work continues to grow This is because of a prolonged siege against Tolkien's work the attempt to dislodge it from its Christian and Biblical foundations Jeb Smith's insights are immensely helpful to this and future generations of Tolkien admirers Scott L Smith author of *Lord of the Rings and the Eucharist* J R R Tolkien's Middle earth has captured the imaginations of millions of readers around the world for generations He is considered the father of modern fantasy but few understand how Tolkien's worldview impacted his mythology *The Road Goes Ever On and On* is the first book of its kind to place Tolkien within his proper context giving the reader a deeper understanding of Tolkien and Middle earth Smith takes us on a quest through a wide range of Tolkien's writings to unlock Tolkien's perspective a perspective that like the elves who have sailed into the West leaving Middle earth has faded away from our world You will gain an in depth knowledge of Tolkien's views on politics environmentalism religion and much more From the Valar to Hobbits the free peoples closely follow Tolkien's sentiments In contrast forces under the Shadow represent what Tolkien believed was immoral Covering a wide range of topics *The Road Goes Ever On and On* is filled with breathtaking illustrations bringing Middle earth to life like never before making this the one book to rule them all

Dangers to the Faith Al Kresta, 2013-05-28 A storm has been brewing in society and its treatment views and activities toward the Catholic Faith Some are subtle others are more brazen New Age thought questionable spirituality creedless Christianity relativism scientific skepticism the triumph of technology and even the self styled spirituality of Oprah Winfrey All these masquerade as truth making it tough for the average Catholic to know how to resist let alone respond No one is more qualified to pull back the curtain on the challenges the Catholic Church faces today than Al Kresta popular Catholic author speaker and radio show host A revert to Catholicism Kresta is well known for his rigorous examination of topics in art religion academia and business *Dangers to the Faith Recognizing Catholicism's 21st Century Opponents* is the perfect springboard for discussing the new world in which the Catholic Church exists today Learn how to better carry out the missionary mandate of the Church The question isn't whether you will be a witness to Christ but whether you will be an effective witness

Race with the Devil Joseph Pearce, 2013-08-01

Before he was the world's foremost Catholic biographer Joseph Pearce was a leader of the National Front a British nationalist white supremacist group Before he published books highlighting and celebrating the great Catholic cultural tradition he disseminated literature extolling the virtues of the white race and calling for the banishment of all non white from Britain Pearce and his cohorts were at the center of the racial and nationalist tensions often violent that swirled around London in the late 1970s and early 80s Eventually Pearce became a top member of the National Front and the editor of its newspaper The Bulldog He was a full time revolutionary In 1982 he was imprisoned for six months for hate speech but he came out with more anger and more resolve Several years later he was imprisoned again this time for a year and it spurred a sea change in his life In *Race with the Devil My Journey from Racial Hatred to Rational Love* Pearce himself takes the reader through his journey from racist revolutionary to Christian including The youthful influences that lead him to embrace the National Front and their racist platform His dark angry exhilarating but ultimately empty days as a revolutionary on the front lines His imprisonment and subsequent dark night of the soul The role that Catholic luminaries such as G K Chesterton Hilaire Belloc and C S Lewis played in his conversion from racist radical to joyful Christian And his eventual reception in the Catholic Church *Race with the Devil* is one man's incredible journey to Christ but it also much more It is a testament to God's hand active among us and the infinite grace that Christ pours out on his people showing that we can all turn or return to Christ and his Church

Frodo's Journey Joseph Pearce, 2015-08-17 J R R Tolkien's magnum opus The Lord of the Rings has been beloved for generations selling millions of copies and selling millions more tickets through its award winning film adaptations The immense cultural impact of this epic is undeniable but the deeper meaning of the story often goes unnoticed Here Joseph Pearce author of *Bilbo's Journey* uncovers the rich and distinctly Christian meaning just beneath the surface of The Lord of the Rings Make the journey with Frodo as he makes his perilous trek from the Shire to Mordor while Pearce expertly reveals the deeper spiritual significance Did you know that the events of The Lord of the Rings are deeply intertwined with the Christian calendar Or what the Ring with its awesome and terrible power represents How do the figures of good and evil in the story reflect those forces in our own lives Find the answers to these questions and much more in *Frodo's Journey*

El viaje de Bilbo Joseph Pearce, 2013-05-16 El Hobbit es la primera obra de Tolkien en la que explora el mundo mitológico que le har a famoso El estilo directo y lineal con alusiones que el autor deploró más tarde a un público infantil no impide la poderosa irrupción de los grandes temas tolkienianos el poder la codicia la guerra la muerte el paso del tiempo que reaparecer en una dimensión a menudo obviamente pica en El Señor de los Anillos Joseph Pearce reconocido especialista en la obra de Tolkien investiga en este libro los significados profundos de la aventura de Bilbo que en una lectura superficial pueden pasar inadvertidos Además de una fascinante historia de audacia y heroísmo se trata en el fondo de un viaje de crecimiento interior un aprendizaje del valor del sacrificio por los demás y un descubrimiento de la acción de la providencia en la vida de cada hombre o hobbit enano o elfo Para llegar a la verdadera intención del autor es necesario trascender el significado literal de la

obra y llegar a su nivel más profundo pues solo así puede disfrutarse de toda su fuerza creativa *Tolkien and Shakespeare*
Janet Brennan Croft, Donald E. Palumbo, C.W. Sullivan III, 2007-04-05 Tolkien and Shakespeare one a prolific popular
dramatist and poet of the Elizabethan era the other a twentieth century scholar of Old English and author of a considerably
smaller body of work Though unquestionably very different writers the two have more in common than one might expect
These essays focus on the broad themes and motifs which concerned both authors They seek to uncover Shakespeare's
influence on Tolkien through echoes of the playwright's themes and even word choices discovering how Tolkien used revised
updated corrected and otherwise held an ongoing dialogue with Shakespeare's works The depiction of Elves and the world of
Faerie and how humans interact with them are some of the most obvious points of comparison and difference for the two
writers Both Tolkien and Shakespeare deeply explored the uses and abuses of power with princes politics war and the
lessons of history Magic and prophecy were also of great concern to both authors and the works of both are full of
encounters with the Other masks and disguises mirrors that hide and reveal or seeing stones that show only part of the truth
