Bill the Bat Loves Halloween Daryl K. Cobb, 2007 In rhyming text tells the story of Bill the bat s adventures on Halloween night Witches Run Amok Shannon Carlin, 2024-08-13 The oral history of Disney s Hocus Pocus one of the most beloved Halloween movies of all time In July 1993 Disney s Hocus Pocus starring Bette Midler Sarah Jessica Parker and Kathy Najimy did not immediately find success with box office numbers falling far below what was envisioned Yet somehow the Halloween movie released in the middle of the summer to little fanfare has become an enduring and widely loved classic Nearly three decades after the film s initial release it s a yearly holiday viewing tradition in households around the world becoming a not so scary rite of passage for kids and their parents many of whom grew up watching the film about the resurrected witchy trio with their own parents Hocus Pocus is a movie that has few if any equals it manages to span a generational divide uniting boomers and zoomers in their nostalgic love for the boundary pushing supernatural comedy that in some ways seemed a little too risqu for the millennial kids it was originally intended for So how did a movie that didn t catch an initial spark end up casting such a spell on mainstream culture Witches Run Amok answers that question and more using interviews from the cast and creative team behind the heartwarming Halloween staple The book is a love letter to Hocus Pocus s millions of devoted fans and a fascinating read for anyone who wants to understand how the Disney movie became a pop culture phenomenon *Bill the Bat Finds His Way Home* Daryl K. Bill the Bat to the Moon and Back Daryl Cobb, 2025-08-20

With some encouragement from his friends, Bill the Bat decides it would be fun to fly to the moon. Sitting on a hillside, Bill and his friends Cal the Cat and Mike the Mouse watch in awe as the sun sets and the sky fills with one of the biggest and brightest moons they have ever seen. It was so large that it seemed almost within their reach. The friends' conversations quickly shifted to Bill's ability to fly and the possibility of their friend using his skills to be the first bat to land on the moon. Bill springs into action without considering the potential dangers. From Bill's mistakes, kids will learn to think before they act and understand that our choices, both good and bad, have consequences.
