Billionaires Baby Bbw Billionaire Erotic Romance:

The Billionaires Surprise Baby Harper West, When it comes to keeping her these billionaires mean business Ivy It s funny how one little pill can change your entire life Or more accurately the forgetting of one tiny pill Just when everything was going right fate threw a major f ck you my way in the form of a bun in the oven So what did I do Ran Ran from the two men I adored because they didn t want kids There was no place for them in their world They d told me that a dozen times I had no intention of ever coming back but desperation makes a woman do crazy things So now here I stand begging for a job and eating crow by the bucket load It doesn t help that they look better than ever Ripped muscles pressing against their suits with that utterly alpha look in their eyes The look that promises to fulfill your every desire And my body hasn t forgotten for a second the way they made me scream in pleasure night after night But I ve got no plans to repeat the past My life is different now I m different now It s just business this time right Logan Tyler She s back The one woman we ve ever loved The same woman who abandoned us a year ago with not so much as a god damn post it note She says she wants a job No not wants demands it Who the hell does she think she is Barking orders like we re the ones who screwed her over And how dare she How dare she show up with all her attitude and hot little body teasing us like she didn t smash our hearts into oblivion Just the sound of her voice makes us harder than steel but we re not giving in dammit She s been keeping secrets and we want answers And we re going to get them out of her one good spanking at a time This naughty girl needs to be punished And before we give her the pleasure we know she can t resist she ll have to beg for forgiveness on her hands and knees naked
