Biographical Dictionary of Christian Missions Gerald H. Anderson, 1999-01-01 Major reference work documents the global history of Christian missions by means of biographical articles on the most outstanding missionaries from the past 2 000 years *Toward the Twenty-first Century in Christian Mission* James M. Phillips, Robert T. Coote, 1993 This unique volume offers a comprehensive survey of the prospects and critical issues for the Christian world mission The essays written by various mission experts cover such topics as the biblical and theological basis of the mission women in mission urban mission dialogues with other faiths the anthropology of popular religions and more

Constants in Context Stephen B. Bevans, Roger P. Schroeder, Roger Schroeder, 2004-01-01 Mission is handicapped without a sound biblical theology of mission and an understanding of the history of mission leading up to our current context Constants in Context offers both of these elements It is mission theology in historical perspective and or a history of mission that is grounded theologically The authors describe it as a systematic theology with mission at its core and a church history shaped by the constant but always contextual Christian traditions Furthermore it is a constructive contribution to how mission theology needs to be practical and lived out through today s church and in our world Written collaboratively by Roman Catholic writers Stephen Bevans and Roger Schroeder both Missionaries of the Divine Word SVDs It is a particularly insightful in regard to the history and the various streams of Catholic mission but it also addresses and learns from the other traditions of the church In fact one of the book s strengths is its attention to neglected aspects and hidden stories of church and mission history As a result it is gratifying to be inspired by non European mission women in mission and various forgotten or often ignored branches of the church The book is in three sections first there is a framework for cultural contexts and theological constants second an in depth exploration of historical stages and different models for mission and third a presentation of theological frameworks for mission The third section concludes with a case for mission as prophetic dialogue being the most appropriate model for 21st century mission Amazon com

Christian Mission Edward L. Smither, 2019-03-06 A deeper understanding of the grand history of mission leads to a faithful expression of God s mission today From the beginning God s mission has been carried out by people sent around the world From Abraham to Jesus the thread that weaves its way throughout Scripture is a God who sends his people across the world proclaiming his kingdom As the world has evolved Christian mission continues to be a foundational tradition in the church In this one volume textbook Edward Smither weaves together a comprehensive history of Christian mission from the apostles to the modern church In each era he focuses on the people sent by God to the ends of the earth while also describing the cultural context they encountered Smither highlights the continuity and development across thousands of years of global mission **Guide to**
