The ^AOxford Companion to Politics of the World Joel Krieger, 2001-08-02 The world has seen dramatic changes since the publication of the first edition of The Oxford Companion to Politics of the World in 1993 In the post Cold War world globalization now offers wealth and opportunities on a broader scale as well as greater international harmony but threatens to reinforce the advantage gap between wealthy and poor regions and intensify environmental degradation Conflict and squalor expressed in brutal brushfire wars epidemics and chronic underdevelopment vie with equally dramatic accounts of growth and democracy associated with a liberal political order and the global diffusion of trade investment and communications Drawing on the breadth of the first edition this updated edition reflects the changing world with a reassessment of many of the core themes of the Companion and new articles on the people concepts and events that have shaped the world since 1993 The second edition includes biographies of Kofi Annan Tony Blair Bill Clinton and Gerhard Schroder articles on events such as the Rwandan Genocide and the war in Kosovo and coverage of international trade

developments such as NAFTA and the World Trade Organization Eighty seven of the 672 articles in the Second Edition are completely new most others are thoroughly revised This edition also features a substantial new set of articles a dozen essays on critical issues written by influential figures Recognizing the importance of including varying viewpoints the editors have commissioned these essays to provide an informed and often passionate debate on controversial topics Discussions include Lani Guinier and Glenn Loury on Affirmative Action Francis Fukuyama and Milton Fisk on the Limits of Liberal Democracy and Lloyd Axworthy and John Bolton on the United Nations The contributors discuss nearly every nation in the world including extensive information on institutions political parties leaders and the sources of political mobilization and conflict The volume also includes biographies of more than seventy five political leaders and thinkers who have shaped the contemporary political world Articles include detailed discussions of critical historical developments and events concepts international law and organizations The Oxford Companion to Politics of the World Second Edition is an accessible timely thought provoking and comprehensive reference that captures the complexity and vitality of contemporary world affairs

Ill Winds Larry Diamond, 2020-04-14 Shortlisted for the 2020 Arthur Ross Book Award From America's leading scholar of democracy a personal passionate call to action against the rising authoritarianism that challenges our world order and the very value of liberty Larry Diamond has made it his life's work to secure democracy's future by understanding its past and by advising dissidents fighting autocracy around the world Deeply attuned to the cycles of democratic expansion and decay that determine the fates of nations he watched with mounting unease as illiberal rulers rose in Hungary Poland Turkey the Philippines and beyond while China and Russia grew increasingly bold and bullying Then with Trump's election at home the global retreat from freedom spread from democracy's margins to its heart Ill Winds core argument is stark the defense and advancement of democratic ideals relies on U S global leadership If we do not reclaim our traditional place as the keystone of democracy today's authoritarian swell could become a tsunami providing an opening for Vladimir Putin Xi Jinping and their admirers to turn the twenty first century into a dark time of despotism We are at a hinge in history between a new era of tyranny and an age of democratic renewal Free governments can defend their values free citizens can exercise their rights We can make the internet safe for liberal democracy exploit the soft kleptocratic underbelly of dictatorships and revive America's degraded democracy Ill Winds offers concrete deeply informed suggestions to fight polarization reduce the influence of money in politics and make every vote count In 2020 freedom's last line of defense still remains We the people
