A Pocket Guide To The Hawaiian Language Things Hawaiian:

A Pocket Guide to the Hawaiian Language Albert J. Schütz, 2010-03-16 Albert J. Schutz began studying Pacific languages in 1960 when as a graduate student from Cornell University he conducted a dialect survey in Fiji. This focus on Fijian which later included heading a dictionary project and writing both a reference grammar and a tourist guide to the language widened to include a language from Vanuatu to the west and Tongan to the south. His interest in Hawaiian long dormant since taking a course in the language in 1962 was revived in the early 1980s. This concise conveniently sized mini book serves as a friendly introduction to the Hawaiian language teaching the native alphabet proper pronunciation and commonly used words and phrases with wood block illustrations. Since that time he has written about Hawaiian's sound system and how the language has been viewed by scholars from 1778 to the present. **My First Pocket Guide About Hawaii** Carole Marsh, 2011-03-01 The perfect reference guide for students in grades 3 and up or anyone. This handy easy to use reference guide is divided into seven color coded sections which includes Hawaii basic facts geography history people places nature and miscellaneous information. Each section is color coded for easy recognition. This Pocket Guide comes with complete and comprehensive facts ALL about Hawaii. Riddles recipes and surprising facts make this guide a delight. Hawaii Basics section explores your state's symbols and their special meaning. Hawaii Geography section digs up the what's where in Hawaii. Hawaii History section is like traveling through time to some of Hawaii's greatest moments. Hawaii People section introduces you to famous personalities and your next door neighbors. Hawaii Places section shows you where you might enjoy your next family vacation. Hawaii Nature section tells what Mother Nature gave to Hawaii. Hawaii Miscellaneous section describes the real fun stuff ALL about Hawaii. *A Pocket Guide to Hawaii* United States. Office of Armed Forces Information and Education, 1955. *A Hand-book on the Annexation of Hawaii* Lorrin Andrews Thurston, 1897. *Hawaii Pocket Guide* Berlitz Guides, 1994-02. *All about Hawaii*, 1924. *Hawaiian Language* Albert J. Schütz, 2020-05-31 With color and black and white illustrations throughout. Hawaiian Language Past Present Future presents aspects of Hawaiian and its history that are rarely treated in language classes. The major characters in this book make up a diverse cast: Dutch merchants Captain Cook's naturalist and philologist William Anderson p. kaha ia the inspiration for the Hawaiian Mission the American lexicographer Noah Webster philologists in New England missionary linguists and their Hawaiian consultants and many minor players. The account begins in prehistory placing the probable origins of the ancestor of Polynesian languages in mainland Asia. An evolving family tree reflects the linguistic changes that took place as these people moved east. The current versions are examined from a Hawaiian centered point of view comparing the sound system of the language with those of its major relatives in the Polynesian triangle. More recent historical topics begin with the first written samples of a Polynesian language in 1616 which led to the birth of the idea of a widespread language family. The next topic is how the Hawaiian alphabet was developed. The first efforts suffered from having too many letters a problem that was solved in 1826 through

brilliant reasoning by its framers and their Hawaiian consultants The opposite problem was that the alphabet didn't have enough letters analysts either couldn't hear or misinterpreted the glottal stop and long vowels The end product of the development of the alphabet literacy is more complicated than some statistics would have us believe As for its success or failure both points of view from contemporary observers are presented Still it cannot be denied that literacy had a tremendous and lasting effect on Hawaiian culture The last part of the book concentrates on the most used Hawaiian reference works dictionaries It describes current projects that combine print and manuscript collections on a searchable website These projects can include the growing body of manuscript and print material that is being made available through recent and ongoing research As for the future a proposed monolingual dictionary would allow users to avoid an English bridge to understanding and move directly to a definition that includes Hawaiian cultural features and a Hawaiian worldview

Hawaiian Almanac and Annual for ... ,1901 The Green Book of Language Revitalization in Practice Leanne

Hinton, Kenneth Hale, 2013-06-13 With world wide environmental destruction and globalization of economy a few languages especially English are spreading rapidly in use while thousands of other languages are disappearing taking with them important cultural philosophical and environmental knowledge systems and oral literatures We all stand to suffer from such a loss none more so than the communities whose very identity is being threatened by the impending death of their languages In response to this crisis indigenous communities around the world have begun to develop a myriad of projects to keep their languages alive This volume is a set of detailed accounts about the kind of work that is going on now as people struggle for their linguistic survival It also serves as a manual of effective practices in language revitalization Following are the key features 23 case studies of language revitalization in practice from Native American languages Australian languages Maori Hawaiian Welsh Irish and others written primarily by authors directly involved in the programs short introductions situate the languages to help make the languages more real in the minds of readers each chapter gives a detailed overview of the various kinds of programs and methods in practice today introductions and maps for each of the languages represented familiarize the reader with their history linguistic structure and sociolinguistic features and strong representation in authorship and viewpoint of the people and communities whose languages are threatened gives the readers an inside understanding of the issues involved and the community internal attitudes toward language loss and revitalization This book was previously published by Academic Press under ISBN 978 01 23 49354 5 **A Pocket Guide to how to Hula** Patricia Lei Murray, 1998
