

First Reads Adventure of Ascent: Field Notes from a Lifelong Journey

In this book, writer-poet Luci Shaw tells us how a lifetime of organic reflections on nature, love, death, suffering, loss, faith, doubt, creativity, curiosity, thinking, learning, all of it drawn from the breadth of her own experience, have resulted in profound and lyrical insights, still active in her thoughts, Luci now turns her attention to the process of edging toward the borders. The spirit of adventure, her brave transparency, and her openness to all that life offers (and all she offers) makes her accepting of another inspiring journey. For most of us, growing older is a reality we put off as long as possible until we're alone with a work that is happening now. She immediately took around to see how others on the path just ahead of us are dealing with it. So here is the strongest Luci Shaw, taking readers on a virtual trek with her, with steps more deliberate and slow but also with surprising voices that fill us with gratitude. In this book Luci serves as a teacher and a quiet voice. As she traverses new territory, she records her experiences lovingly, tenderly, sensibly, playfully—never what it's like, and how it should be ready to. These field notes will inform your own journey, no matter what your age.
