Popular Music And Television In Britain Ian Inglis, 2016-04-22 Listening to popular music and watching television have become the two most common activities for postwar generations in Britain From the experiences of programmes like *Oh Boy* and *Juke Box Jury* to the introduction of 24 hour music video channels the number and variety of television outputs that consistently make use of popular music and the importance of the small screen as a principal point of contact between audiences and performers are familiar components of contemporary media operation Yet there have been few attempts to examine the two activities in tandem to chart their parallel evolution to explore the associations that unite them or to consider the increasingly frequent ways in which the production and consumption of TV and music are linked in theory and in practice This volume provides an invaluable critical analysis of these and other topics in newly written contributions from some of Britain s leading scholars in the disciplines of television and or popular music studies Through a concentration on four main areas in which TV organises and presents popular music history and heritage performers and performances comedy and

drama audiences and territories the book investigates a diverse range of musical genres and styles factual and fictional programming historical and geographical demographics and the constraints of commerce and technology to provide the first systematic account of the place of popular music on British television *Real Sailor-songs* John Ashton,1891 **Music and the Road** Gordon E. Slethaug,2017-12-02 Brian Wilson and The Beach Boys Bob Dylan Bruce Springsteen and Paul Simon these familiar figures have written road music for half a century and continue to remain highly regarded artists But there is so much more to say about road music This book fills a glaring hole in scholarship about the road and music In a collection of 13 essays *Music and the Road* explores the origins of road music in the blues country western and rock n roll the themes of adventure freedom mobility camaraderie and love and much more in this music the mystique and reality of touring as an important part of getting away from home creating community among performers and building audiences across the country from the 1930s to the present and the contribution of music to popular road films such as *Bonnie and Clyde* *Easy Rider* *Thelma and Louise* and *On the Road* **Pickers and Poets** Craig E. Clifford,Craig Hillis,2016-12-24 Many books and essays have addressed the broad sweep of Texas music its multicultural aspects its wide array and blending of musical genres its historical transformations and its love hate relationship with Nashville and other established music business centers This book however focuses on an essential thread in this tapestry the Texas singer songwriters to whom the contributors refer as ruthlessly poetic All songs require good lyrics but for these songwriters the poetic quality and substance of the lyrics are front and center Obvious candidates for this category would include Townes Van Zandt Michael Martin Murphey Guy Clark Steve Fromholz Terry Allen Kris Kristofferson Vince Bell and David Rodriguez In a sense what these songwriters were doing in small intimate live music venues like the Jester Lounge in Houston the Chequered Flag in Austin and the Rubaiyat in Dallas was similar to what Bob Dylan was doing in Greenwich Village In the language of the times these were folksingers Unlike Dylan however these were folksingers writing songs about their own people and their own origins and singing in their own vernacular This music like most great poetry is profoundly rooted That rootedness in fact is reflected in the book s emphasis on place and the powerful ways it shaped and continues to shape the poetry and music of Texas singer songwriters From the coffeehouses and folk clubs where many of the founders got their start to the Texas flavored festivals and concerts that nurtured both their fame and the rise of a new generation the indelible stamp of origins is inseparable from the work of these troubadour poets Contents Introduction by Craig Clifford and Craig D Hillis 1 Part One The First Generation Folksingers Texas Style Too Weird for Kerrville The Darker Side of Texas Music 17 Craig Clifford Townes Van Zandt The Anxiety Artifice and Audacity of Influence 27 Robert Earl Hardy Vignette The Ballad of Willis Alan Ramsey 36 Bob Livingston Guy Clark Old School Poet of the World 39 Tamara Saviano Kris Kristofferson The Silver Tongued Rhodes Scholar 49 Peter Cooper Vignette Don Henley Literature Land and Legacy 59 Kathryn Jones Steven Fromholz Michael Martin Murphey and Jerry Jeff Walker Poetic in Lyric Message and Musical Method 61 Craig D Hillis Vignette Kinky Friedman The Mel Brooks of
