Advocacy For Social Justice A Global Action And Reflection Guide:

Advocacy for Social Justice David Cohen, Rosa De la Vega, Gabrielle Watson, 2001 The first comprehensive guide for social and economic justice advocates Supplies hundreds of resources and a toolkit for action Based on work of The Advocacy Institute and Oxfam America Advocacy for Social Justice is the first guide for worldwide social and economic justice advocates It is a direct and interactive response to the growing need for NGOs to assume new policy advocacy roles The authors consider why it is essential to build a civil society and nurture democracy as a means of sustaining continued mainstream development Ideal for practitioners trainers or students of activism the guide uses the elements of advocacy and expounds on current issues using comprehensive case studies **The Anti-Capitalist Dictionary** David E

Lowes, 2013-07-04 This dictionary is an alternative and a counter balance to the many political dictionaries that ignore or marginalize the history and influence of anti capitalist movements It paints a rich picture of the ideas and issues that inform today s anti capitalist activity The Anti Capitalist Dictionary is organised in an easily accessible alphabetical format with self contained cross referenced entries that introduce and explain concepts and issues that are integral to understanding today s global movement The Dictionary demonstrates how the meaning and relevance of some of these have evolved and illustrates a linkage between past and present activity that might be unfamiliar to people who are involved or interested in the movement s current manifestations This Dictionary has international coverage and will prove invaluable to students of politics as well as to activists and the general reader Cases in Innovative Nonprofits Ram A. Cnaan, Diane

Vinokur-Kaplan, 2014-12-02 Become an innovator in the nonprofit world Student friendly and readable Cases in Innovative Nonprofits provides readers with current comparative case studies of innovative nonprofit organizations that are meeting the needs of humanity in both the U S and abroad Edited by well known scholars Ram A Cnaan and Diane Vinokur Kaplan this text provides inspiring examples of social entrepreneurs who have instituted new services to meet the needs of both new and long standing social problems Each case features either an unidentified need and its successful response or an existing need that was tackled in a unique and innovative manner The text is purposefully organized into four parts Part 1 Two conceptual chapters give the reader an understanding of what a nonprofit social innovation is and tools to analyze various social innovations in this volume and elsewhere Part 2 Ten cases reveal the innovative formation of new nonprofit organizations Part 3 Three cases emphasize innovation through collaboration Part 4 Five cases demonstrate innovations taking place within an existing nonprofit organization By using a simple identical format for each case this text facilitates student learning through comparative review providing a deeper understanding about the complexity and steps required to achieve nonprofit social innovation NGO Management Alan Fowler, Chiku Malunga, 2020-09-23 The task environment of NGOs is changing rapidly and significantly making new demands on their management and leadership This Companion discusses the complexities involved It illustrates how NGOs can maintain performance and remain agile amidst increasing uncertainties

These factors include the position of NGOs in civil society their involvement in governance and coping with the effects of the securitisation of international aid

Complementing The Earthscan Reader in NGO Management selected contributions and specially commissioned pieces from NGO thought leaders and practitioners provide the reader with insights on the emerging thinking competences and practices needed for success in managing and leading tomorrow's NGOs

Handbook of Research on Social Justice and Equity in Education Keengwe, Jared, 2022-05-06 There is growing pressure on teachers and other educators to understand and adopt the best ways to work with the various races cultures and languages that diverse learners represent in the ever increasing culturally diverse learning environments Establishing sound cross cultural pedagogy is also critical given that racial cultural and linguistic integration has the potential to increase academic success for all learners To that end there is also a need for educators to prepare graduates who will better meet the needs of culturally diverse learners as well as support their students to become successful global citizens The Handbook of Research on Social Justice and Equity in Education highlights cross cultural perspectives challenges and opportunities pertaining to promoting cultural competence equity and social justice in education It also explores multiple concepts of building a bridge from a monocultural pedagogical framework to cross cultural knowledge Covering topics such as diversity education and global citizenship this major reference work is ideal for academicians researchers practitioners policymakers instructors and students

Mission as Accompaniment Brian E. Konkol, 2017-06-15 Mechanistic dehumanization occurs when human beings are objectified and exploited as a means to an end comparable to expendable components of a machine This misconstruction of human value is a source and sustainer of overproduction an excess of consumption and the pursuit of unrestrained economic growth damaging both people and the planet Can the Evangelical Lutheran Church in America ELCA Global Mission respond to mechanistic dehumanization through mission as accompaniment The notion of mission as accompaniment which emerges from liberation theology and development methodology promotes solidarity among church companions that embodies interdependence and mutuality Grounded in the New Testament expression of koinonia Mission as Accompaniment is affirmed in this study as a suitable foundation to counteract mechanistic dehumanization Through this research with the University of KwaZulu Natal South Africa Theology and Development program Brian E Konkol incorporates economics ecology anthropology and postcolonial missiology He maintains that two particular elements the African concept of Ubuntu and an Olive Agenda when integrated into mission as accompaniment will equip the ELCA Global Mission with an advocacy driven trajectory in response to mechanistic dehumanization

Citizens and Governance Toolkit Rajesh Tandon, 2004 The Citizenship and Governance Toolkit draws on the lessons generated from learning projects and case studies supported under the Citizens and Governance Program of the Commonwealth Foundation It offers practical guidance on how to promote the participation of citizens in governance The contents of this Toolkit print and CD ROM media include _ the meaning of inclusive governance _ ways for citizens to organize and engage in governance _ strategies for multi sectoral

partnerships _ key themes that emerge in governance such as conflict gender and power _ suggestions for participatory methods in governance including learning circles popular theatre and role play _ methods of building capacities of citizens intermediaries and government officials for inclusive governance A training manual is also in preparation which will include role plays exercises and other training materials The Toolkit is a fantastic resource bank for policymakers practitioners facilitators in government departments and agencies and other change agents working in local communities

Non-Governmental Organizations, Management and Development David Lewis, 2014-03-05 Non Governmental Development Organizations have seen turbulent times over the decades however recent years have seen them grow to occupy high profile positions in the fight against poverty They are now seen as an important element of civil society a concept that has been given increasing importance by global policy makers This book has evolved during the course of that period to be a prime resource for those working or wishing to work with and for NGOs The third edition of Non Governmental Organizations Management and Development is fully updated and thoroughly reorganized covering key issues including but not limited to debates on the changing global context of international development and the changing concepts and practices used by NGOs The interdisciplinary approach employed by David Lewis results in an impressive text that draws upon current research in non profit management development management public management and management theory exploring the activities relationships and internal structure of the NGO This book remains the first and only comprehensive and academically grounded guide to the issues facing international development NGOs as they operate in increasingly complex and challenging conditions around the world It is the perfect resource for students undertaking studies of NGOs and the non profit sector in addition to being an excellent resource for development studies students more generally Land Grabs in Asia Connie Carter, Andrew Harding, 2015-05-01 Although there is no universally accepted definition of the term land grabbing ordinary people whose livelihoods are adversely affected by land grabbing know exactly what it is It involves the physical capture and control of land and homes including the usurpation of the power to decide how and when these will be used and for what purposes with little or no prior consultation or compensation to the displaced communities This thought provoking book defines land grabbing and examines aspects of the land grabs phenomenon in seven Asian countries researched and written by country specific legal scholars The book provides unique perspectives on how and why land grabbing is practised in China India Pakistan Cambodia Malaysia Myanmar and Indonesia and explores the surprising role that law plays in facilitating and legitimizing land grabs in each country In contrast to most of the literature which law focuses on foreign investors rights under international law here the focus is on domestic laws and legal infrastructures Finding that Asian States need to move beyond existing regimes that govern land to a regime that encourages more equitable land rights allocation and protection of stakeholders rights the book urges further research in the nexus between the use of law to facilitate development Land Grabs in Asia is the first book to explore land grabbing in multiple jurisdictions in Asia As

such it will appeal to students and scholars of law and development law and society and international relations as well as being essential reading for development policy makers and government ministers

Understanding Organizational Leadership through Ubuntu Chiku Malunga, 2009-07-30 Understanding Organizational Leadership through Ubuntu offers a creative innovative and holistic approach to understanding organizational leadership using the principles embodied in the African philosophy of personhood known as ubuntu or the essence of being human Using African proverbs folktales and indigenous concepts the book discusses the organizational principles of ubuntu and the leadership lessons that modern organizations can learn from these principles The principles include sharing and collective ownership of opportunities responsibilities and challenges the importance of people and relationships over things participatory leadership and decision making loyalty reconciliation experiential learning and knowledge management By using humorous ways that touch people's heart to communicate organizational and personal management and improvement strategies the book demystifies organizational language while at the same time enhancing its power It also contributes to the much needed cross cultural dialogue among organizations and societies
