Technical Manual United States. War Department,1940 Blowback Miles Taylor,2024-04-09 Donald Trump will be president again whether he is on the ballot or not That is because Trumpism is overtaking the Republican Party and will mount a vigorous comeback potentially in the hands of a savvier successor The Next Trump This prophecy will come true according to Miles Taylor if we do not learn the lessons of the recent past With the 2024 election approaching the formerly Anonymous official is back with bombshell revelations and a sobering national forecast Through interviews with dozens of ex Trump aides and government leaders Taylor predicts what could happen inside Trump 2 0 the White House of a more competent and more formidable copycat What sounds like a political thriller from shadowy presidential powers and CIA betrayals to angry henchmen and assassination plots is instead America s political reality as Taylor uses never before told stories to shed light on the ex president s unfulfilled plans the dark forces haunting our civic lives and to show how we can thwart the rise of extremism in the United States Blowback is also a surprisingly emotional and self critical portrait of a dissenter one whose own unmasking provides a vivid warning about what happens when we hide the truth from others and most important from ourselves Page 4 of cover **Porous Metal Filters** T.
