TIM APPLGATE

Blueprints Tim Applegate

Tim Applegate

Blueprints Tim Applegate:

Blueprints Tim Applegate, 2015-12-08 Tim Applegate's third collection of poems *Blueprints* explores many of his previous themes work refurbishing ships in drydock clearing brush planting a vineyard on his Oregon acreage the joys and sorrows of both a happy marriage and a troubled one his enduring admiration for writers and visual artists ranging from Faulkner to Robert Bly from Virginia Woolf to the photographer Paul Strand In the words of the poet Clemens Starck Applegate writes in cadenced lines with the small felicities of expression that mark the work of a real craftsman composing poems that are above all uncommonly interesting vivid accounts of one man's sojourn on the planet Ranging far and wide emotionally as well as geographically the poems in *Blueprints* according to poet Gary Lark lead us on a path that circles the globe In clear open language through narrative and image the book follows a wide trail rich in musings before eventually returning the reader to the poet's Oregon home

Flamingo Lane Tim Applegate, 2019-02-12 Chance is a hitman with hippie roots and deep emotional wounds disillusioned by life and stung by love and his next target is the woman who rejected him But taking on such a job is not without complications As he closes in on his victim Chance struggles to rediscover the competitive edge that normally makes him so deadly Faye Lindstrom escaped a life of captivity and addiction in Quintana Roo but she can't flee the woman she has become For now she holes up in a house in Crooked River owned by an old friend the reclusive novelist William Dieter But that safe haven will only last until the end of the summer assuming that the violence in her past doesn't catch up to her first For lovers of Southern noir *Flamingo Lane* is a gritty cat and mouse pursuit that launches from an island off the Yucatan Peninsula through the cornfields of Indiana to a small town on the Florida panhandle A standalone sequel *Flamingo Lane* ventures even further into the haunted territories of revenge and redemption first chronicled in *Fever Tree*

Fever Tree Tim Applegate, 2016-08-02 When a handsome and mysterious stranger arrives in Crooked River the town is consumed by rumors Although a deeply private young man Dieter befriends everyone from deckhands to shopkeepers On the rebound from a disastrous relationship the charming but hesitant Maggie Paterson falls in love Teddy Mink the town's notorious paranoid drug lord convinced that Dieter's a narc formulates a plan to silence him Maggie's recently estranged ex who moonlights as a drug runner for Teddy jealously agrees that Dieter must be handled no matter the cost From the moonlit beaches of Quintana Roo to the waterfront docks of Crooked River Florida *Fever Tree* is a beautifully written story that charts the surprising journey of a deeply troubled young man zealously guarding the secrets of his past
