Bonhoeffer On The Christian Life From The Cross For The World:

Bonhoeffer on the Christian Life Stephen J. Nichols, 2013 An accessible tour of the life and work of Germany's famous theologian Dietrich Bonhoeffer This book explores the nature of fellowship the costliness of grace and the necessity of obedience

Meditations on the Cross Dietrich Bonhoeffer, 1998-02-01 The cross and the resurrection were central themes for Bonhoeffer's theology These excerpts from sermons and letters contain his personal and faithful words about the crucifixion and the power of the cross for all Christians *Meditations on the Cross* is ideal for devotional reading and personal reference

Life Together Dietrich Bonhoeffer, 1978-10-25 After his martyrdom at the hands of the Gestapo in 1945 Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world His *Letters and Papers from Prison* became a prized testimony to Christian faith and courage read by thousands Now in *Life Together* we have Pastor Bonhoeffer's experience of Christian community This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters It gives practical advice on how life together in Christ can be sustained in families and groups The role of personal prayer worship in common everyday work and Christian service is treated in simple almost biblical words *Life Together* is bread for all who are hungry for the real life of Christian fellowship

Dietrich Bonhoeffer's Christian Humanism Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer's theological anthropology and establishes that Bonhoeffer's Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer's mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer's theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer's ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer's life and theology namely his dedication to the Bible as God's word is also consistent with his Christian humanism

Bonhoeffer's Intellectual Formation Peter Frick, 2018-03-14 The authors of this volume discuss specific philosophical and theological ideas in view of Bonhoeffer's intellectual formation As such all the studies converge on the thought of Bonhoeffer as a whole in order to illuminate the growth and maturation of his theology Contributors to this volume include Barry Harvey Wayne Floyd Peter Frick Geoffrey Kelly Wolf Kr tke Andreas Pangritz Stephen Plant Martin Rumscheidt Christine Tietz Ralf W stenberg and Josiah Young

Bonhoeffer's Religionless Christianity in Its Christological Context Peter

Hooton,2020-02-06 The German theologian Dietrich Bonhoeffer understood Western civilization to be approaching a completely religionless age to which Christians must respond and adapt This book explores Bonhoeffer s own response to this challenge his concept of a religionless Christianity and its place in his broader theology It does this first by situating the concept in a present day Western socio historical context It then considers Bonhoeffer s understanding and critique of religion before examining the religionless Christianity of his final months in the light of his earlier Christ centred theology The place of mystery paradox and wholeness in Bonhoeffer s thinking is also given careful attention and non religious interpretation is taken seriously as an ongoing task The book aspires to present religionless Christianity as a lucid and persuasive contemporary theology and does this always in the presence of the question which inspired Bonhoeffer s theological journey from its academic beginnings to its very deliberately lived end the question Who is Jesus Christ

Bonhoeffer's Christocentric Theology and Fundamental Debates in Environmental Ethics Steven C. van den Heuvel,2017-05-04 There is widespread understanding of the close connection between religion and the ecological crisis and that in order to amend this crisis theological resources are needed This monograph seeks to contribute to this endeavor by engaging the theology of Dietrich Bonhoeffer His theology is particularly suitable in this context due to its open ended nature and to the prophetic and radical nature of the questions he was prepared to ask that is why there are many other attempts to contextualize Bonhoeffer s theology in areas that he himself has not directly written about In this monograph Steven van den Heuvel first of all addresses the question of how to translate Bonhoeffer s theology in a methodologically sound way He settles on a modified form of the general method of correlation Then secondly van den Heuvel sets out to describe five major concepts in Bonhoeffer s work bringing these into critical interplay with discussions in environmental ethics and eco theology In making the correlations he thoroughly describes each concept situating it in the historic and intellectual background of Bonhoeffer s time He then transposes these concepts to contemporary environmental ethics describing what contribution Bonhoeffer s theology can make Dietrich Bonhoeffer's Ethics of Formation Ryan Huber,2020-05-19 Dietrich Bonhoeffer is

many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer s Ethics of Formation Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer s ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth *Bonhoeffer's Questions* John W. de Gruchy,2019-11-08 While in prison during the Third Reich Dietrich Bonhoeffer raised several core questions in his correspondence with his close friend Eberhard Bethge How shall future generations live Who is Jesus Christ actually for us today What does it mean to be truly human And who am I In Bonhoeffer s Questions John W de Gruchy explores the development of each question in the course of Bonhoeffer s life how he attempted to answer them and how each prompted further questions in an ongoing conversation with himself with others and now with us today De Gruchy does this within the

framework of his own life long and life changing conversation with Bonhoeffer in the context of South Africa from the beginning of the apartheid era to the present day He also describes how he has come to know Bonhoeffer as a theological witness to Christ a prophet of God s justice and a Christian humanist before proceeding with a series of questions addressed to Bonhoeffer with the reader in mind These range from the debate about God and the future of Christianity to the involvement of Christians and the church in political struggles today *The Blackwell Companion to the Theologians, 2 Volume Set* Ian S. Markham, 2009-04-27 This two volume companion brings together a team of contemporary theologians and writers to provide substantial introductions to the key people who shaped the Christian story and tradition A substantial two volume reference work bringing together over 75 entries on the most important and influential theologians in the history of Christianity Structured accessibly around five periods early centuries middle ages reformation period the Enlightenment and the twentieth century to the present A to Z entries range from substantial essays to shorter overviews each of which locates the theologian in their immediate context summarizes the themes of their work and explains their significance Covers a broad span of theologians from Augustine to Thomas Aquinas through to C S Lewis James Cone and Rosemary Radford Reuther Provides profiles of key Catholic protestant evangelical and progressive theologians Includes a useful timeline to orientate the reader reading lists and a glossary of key terms
