Brotherhood & Betrayal James Hollywood Macecari, 2021-03-29 There is nothing poetic nor is there any price worth paying for the life we choose to live on the streets I ve finally learned that lesson but far too late The pain that I ve caused to my family and friends is unfathomable It s not until you become older and start to reflect on your life choices that you realize how dreadful you have made life for those around you My wife Chinadoll is infinitely acquainted to this pain The stuff I put her through is something I will regret for the rest of my life This book is an in depth look at the trials and tribulations of street gang and motorcycle club life This isn t the run of the mill book that doesn t give the goods This book will go into detail of events that actually happened All material in this book has been approved by those involved in The start of the book we go on a journey through my time with the Simon City Royals As a member of the Royals I established one of the notorious chapters Franklin Park with Cicero Red and still thrives The book will also highlight the Predadores Street Organization an organization with many chapters throughout the United States Penal institutions Finally I detail motorcycle clubs one that I was in and my thoughts on what s really hurting the scene The Street life isn t pretty it s also a life many don t understand it s my hope people will learn from my mistakes and choose a different path
