Hitchcock as Philosopher of the Erotic Richard Gilmore, 2024-06-07 This book reads Alfred Hitchcock as a philosopher of what constitutes the erotic The author argues that Hitchcock is doing a post Nietzschean postmodern kind of philosophy in which he is exploring and creating possibilities of what the erotic can feel like and how the erotic can be expressed The erotic is a pervasive phenomenon in Hitchcock's films It involves irony play and sophistication and there can be erotic failures as well as erotic successes The erotic is most complexly explored by Hitchcock in his two masterpieces from the 1950s *Vertigo* 1958 a story of the failure of the erotic and *North by Northwest* 1959 in which the erotic is consummated in marriage The author argues that Hitchcock has a philosophical theory about what makes the difference It is a version of existential philosophy that understands what a person is to be based on what they make of themselves through their choices The author argues that the erotic for Hitchcock is a process of mutual reciprocal creation of the personality of the other person This process is complicated by the fact that as one attempts to create the person one desires one is simultaneously being created by that other person and so what one desires is also in a process of being recreated in the mutual reciprocal dance of the erotic entanglement There is a moral dimension to this because erotic failure is in a way a failure of the human not in the sense of a human essence but in the sense of realizing human possibilities that can make our lives more satisfying complete and full *Hitchcock as Philosopher of the Erotic* will appeal to scholars and advanced students working on philosophy of film film studies and philosophy of love and sex

Dennis, 2025-08-27 How do television viewers decide that characters are gay Why is one viewer convinced by a scene where two men smile at each other whereas another responds to a scene where they share a bed with I don't see how that makes them gay This book examines scenes situations and structures that permit characters to be read as LGBT including two same sex characters as a romantic couple in the dark comedy crime drama *The Righteous Gemstones* and other contemporary television series contrasted with social media posts that embrace ignore or deny their identity Some surprising strategies emerge such as if a man speaks to a woman he is always straight and they can't be a romantic couple if another character ever refers to them as friends This thoroughly researched work investigates the practices of viewers identifying gayness on television drawing conclusions about
