Advisory Lessons For Middle School:

Middle School Today Holly Henderson Pinter, Kim K. Winter, Kayleigh Kassel, 2025-02-18 Middle School Today is clustered into major themes adolescent development and identity the adolescent learner curriculum and instruction and the contemporary middle school The book describes the components related to adolescent development starting with simple principles from psychology regarding the physical cognitive and social development of adolescents The book then explores current trends in research regarding contemporary topics such as trauma informed practices social emotional learning and social justice A large section of the book is devoted to curriculum and instruction This section will reach both broadly and deeply to the ins and outs of designing instruction implementing instruction and assessment across all content areas Readers will have access to resources for teacher candidates and teacher educators to utilize in practice Finally the book explores the historical grounding of middle level education relying on foundational principles from the Association of Middle Level Education AMLE and address how teachers can connect best practices to school settings where implementing best practice may be absent

Character Compass, Second Edition Scott Seider, Shelby Clark, Madora Soutter, 2025-10-29 The popular volume on the power of character development in the classroom now features new chapters on intellectual risk taking and open mindedness plus reflections from leaders and former students of the participating schools on the impact of character education on their work and lives Character Compass Second Edition returns to three high performing urban schools to reassess their distinct commitments to character education Classical Academy prizes moral character College Bound Middle School emphasizes performance character and Civitas Prep prioritizes civic character To this group Scott Seider Shelby Clark and Madora Soutter add Bright Ideas Middle School which champions intellectual character They describe the ways in which these four school s distinctive character goals lead them to emphasize different programming and practices and to nurture different dimensions of their students characters Seider Clark and Soutter reconnect with the students that were interviewed more than a decade ago to ask how character education influenced their trajectories and they invite the volume s original school leaders to share how their thinking has and has not changed Their research reaffirms the foundational strength of character education in building a powerful school culture where students can thrive and a new case study on a school emphasizing intellectual character broadens the framework s reach With its rare longitudinal and retrospective perspective Character Compass Second Edition provides K 12 educators and school leaders with powerful guidance for making character development central to their mission of supporting student success Updates also help practitioners hone their chosen approach to best complement their own unique institutional commitments community and context
