BOKO HARAM

INSIDE NIGERIA'S UNHOLY WAR

MIKE SMITH

L.B. TAURIS

Boko Haram Inside Nigerias Unholy War

Brandon Kendhammer, Carmen McCain

Boko Haram Inside Nigerias Unholy War:

Boko Haram Mike Smith, 2015-01-30 An insurgency in Nigeria by the Islamist extremist group Boko Haram has left thousands dead shaken Africa's biggest country and worried the world Yet it remains a mysterious almost unknowable organisation rough exhaustive on the ground reporting Mike Smith takes readers inside the conflict and provides the first in depth account of the violence and unrest He traces Boko Haram from its beginnings as a small Islamist sect in Nigeria's remote north east led by a baby faced but charismatic preacher to its transformation into a hydra headed entity deploying suicide bombers and abducting schoolgirls Much of the book is told through the eyes of Nigerians who have found themselves caught between frightening insurgents and security forces accused of horrifying brutality It includes the voices of a forgotten police officer left paralysed by an attack women whose husbands have been murdered and a sword wielding vigilante using charms to fend off insurgent bullets It journeys through the sleaze and corruption that has robbed Africa's biggest oil producer of its potential making it such fertile ground for extremism Along the way it questions whether there can be any end to the violence and the ways in which this might be achieved Interspersed with history this book delves into the roots of this unholy war being waged by a virtually unknown organisation which is set to shape the destiny of Africa's biggest economy and most populous state and perhaps affect the future of Africa

Women and the War on Boko Haram Hilary Matfess, 2017-11-15 For over a decade Boko Haram has waged a campaign of terror across northeastern Nigeria In 2014 the kidnapping of 276 girls in Chibok shocked the world giving rise to the BringBackOurGirls movement Yet Boko Haram's campaign of violence against women and girls goes far beyond the Chibok abductions From its inception the group has systematically exploited women to advance its aims Perhaps more disturbing still some Nigerian women have chosen to become active supporters of the group even sacrificing their lives as suicide bombers These events cannot be understood without first acknowledging the long running marginalisation of women in Nigerian society Having conducted extensive fieldwork throughout the region Hilary Matfess provides a vivid and thought provoking account of Boko Haram's impact on the lives of Nigerian women as well as the wider social and political context that fuels the group's violence

The Boko Haram Insurgence In Nigeria Edlyne Eze Anugwom, 2018-12-06 This book focuses on the Boko Haram insurgence in Nigeria and provides information on the origin and growth of the sect antecedent and historical factors behind the insurgence assessing a variety of socio political drivers The structure organization and ideology of the sect are analysed paying attention to internal splits within the group as well as external relations with the Nigerian state and global jihadism The diverse and wide ranging issues covered in the book makes it valuable for academic researchers students and policy practitioners both within Africa and beyond

Boko Haram Brandon Kendhammer, Carmen McCain, 2018-10-08 From its small time origins in the early 2000s to its transformation into one of the world's most recognized terrorist groups this remarkable short book tells the story of Boko Haram's bloody decade long war in northeastern Nigeria Going beyond the

headlines including the group's 2014 abduction of 276 girls in Chibok and the international outrage it inspired Boko Haram provides readers new to the conflict with a clearly written and comprehensive history of how the group came to be the Nigerian government's failed efforts to end it and its enormous impact on ordinary citizens Drawing on years of research Boko Haram is a timely addition to the acclaimed Ohio Short Histories of Africa Brandon Kendhammer and Carmen McCain two leading specialists on northern Nigeria separate fact from fiction within one of the world's least understood conflicts Most distinctively it is a social history one that tells the story of Boko Haram's violence through the journalism literature film and music made by people close to it

The Boko Haram Reader Abdulbasit Kassim, Michael Nwankpa, 2018-07-02 Since it erupted onto the world stage in 2009 people have asked what is Boko Haram and what does it stand for Is there a coherent vision or set of beliefs behind it Despite the growing literature about the group few if any attempts have been made to answer these questions even though Boko Haram is but the latest in a long line of millenarian Muslim reform groups to emerge in Northern Nigeria over the last two centuries The Boko Haram Reader offers an unprecedented collection of essential texts documents videos audio and nashids martial hymns translated into English from Hausa Arabic and Kanuri tracing the group's origins history and evolution Its editors two Nigerian scholars reveal how Boko Haram's leaders manipulate Islamic theology for the legitimisation radicalization indoctrination and dissemination of their ideas across West Africa Mandatory reading for anyone wishing to grasp the underpinnings of Boko Haram's insurgency particularly how the group strives to delegitimize its rivals and establish its beliefs as a dominant strand of Islamic thought in West Africa's religious marketplace

Boko Haram Mike Smith, 2015-01-30 An insurgency in Nigeria by the Islamist extremist group Boko Haram has left thousands dead shaken Africa's biggest country and worried the world Yet it remains a mysterious almost unknowable organisation rough exhaustive on the ground reporting Mike Smith takes readers inside the conflict and provides the first in depth account of the violence and unrest He traces Boko Haram from its beginnings as a small Islamist sect in Nigeria's remote north east led by a baby faced but charismatic preacher to its transformation into a hydra headed entity deploying suicide bombers and abducting schoolgirls Much of the book is told through the eyes of Nigerians who have found themselves caught between frightening insurgents and security forces accused of horrifying brutality It includes the voices of a forgotten police officer left paralysed by an attack women whose husbands have been murdered and a sword wielding vigilante using charms to fend off insurgent bullets It journeys through the sleaze and corruption that has robbed Africa's biggest oil producer of its potential making it such fertile ground for extremism Along the way it questions whether there can be any end to the violence and the ways in which this might be achieved Interspersed with history this book delves into the roots of this unholy war being waged by a virtually unknown organisation which is set to shape the destiny of Africa's biggest economy and most populous state and perhaps affect the future of Africa

Boko Haram Alexander Thurston, 2017-10-31 A comprehensive history of one of the world's deadliest jihadist groups Boko Haram is one of the world

s deadliest jihadist groups It has killed more than twenty thousand people and displaced more than two million in a campaign of terror that began in Nigeria but has since spread to Chad Niger and Cameroon as well This is the first book to tell the full story of this West African affiliate of the Islamic State from its beginnings in the early 2000s to its most infamous violence including the 2014 kidnapping of 276 Nigerian schoolgirls Drawing on sources in Arabic and Hausa rare documents propaganda videos press reports and interviews with experts in Nigeria Cameroon and Niger Alexander Thurston sheds new light on Boko Haram s development He shows that the group far from being a simple or static terrorist organization has evolved in its worldview and ideology in reaction to events Chief among these has been Boko Haram s escalating war with the Nigerian state and civilian vigilantes The book closely examines both the behavior and beliefs that are the keys to understanding Boko Haram Putting the group s violence in the context of the complex religious and political environment of Nigeria and the Lake Chad region the book examines how Boko Haram relates to states politicians Salafis Sufis Muslim civilians and Christians It also probes Boko Haram s international connections including its loose former ties to al Qaida and its 2015 pledge of allegiance to ISIS An in depth account of a group that is menacing Africa s most populous and richest country the book also illuminates the dynamics of civil war in Africa and jihadist movements in other parts of the world

Understanding Boko Haram James J. Hentz, Hussein Solomon, 2017-05-08 The primary objective of this book is to understand the nature of the Boko Haram insurgency in northeast Nigeria Boko Haram s goal of an Islamic Caliphate starting in the Borno State in the North East that will eventually cover the areas of the former Kanem Borno Empire is a rejection of the modern state system forced on it by the West The central theme of this volume examines the relationship between the failure of the state building project in Nigeria and the outbreak and nature of insurgency At the heart of the Boko Haram phenomenon is a country racked with cleavages making it hard for Nigeria to cohere as a modern state Part I introduces this theme and places the Boko Haram insurgency in a historical context There are however multiple cleavages in Nigeria ethnic regional cultural and religious and Part II examines the different state society dynamics fuelling the conflict Political grievances are common to every society however what gives Boko Haram the space to express such grievances through violence Importantly this volume demonstrates that the insurgency is in fact a reflection of the hollowness within Nigeria s overall security Part III looks at the responses to Boko Haram by Nigeria neighbouring states and external actors For Western actors Boko Haram is seen as part of the global war on terror and the fact that it has pledged allegiance to ISIS encourages this framing However as the chapters here discuss this is an over simplification of Boko Haram and the West needs to address the multiple dimension of Boko Haram This book will be of much interest to students of terrorism and political violence insurgencies African politics war and conflict studies and IR in general *Jihadist and Salafi Discourses in Sudanic Africa* Amidu Sanni, 2016-11-01 From the Almoravid s invasion of Ghana in 1062 until the Moroccan conquest of the Songhay Empire in 1591 that allegedly was not sufficiently Muslim Africa south of the Sahara has been exposed to a

purification of Islam project This project took two forms one was the quietist intellectually driven reformism for instance the 15th century Moroccan al Maghili and 16th century Malian Ahmad Baba al Timbuktu d 1627 The second was militant Islamism for which the 19th century better known as the Jihadist period was particularly significant in Sudanic Africa Maba Diakhou Ba 1809 1867 was active in the Senegambia Umar Tall 1795 1864 in Central Mali and Usman dan Fodio 1754 1817 in mainland Central Sudan Nigeria Niger and Cameroun Since the second half of the 20th century when the shari a Islamic Law was the rule in Usman dan Fodio s Sokoto Caliphate 1804 1903 the development became a reference point for Jihadist ideologues in Nigeria The 1979 Iranian Revolution further served as an impetus for political activism and reformist tendencies in Muslim West Africa ranging from the moderate to the extremist even before the September 11 2001 cataclysm in the U S The Yan Izala a pan Wahhabi literalist reformist movement to which Abu Bakr Gumi 1924 1992 served as the patron saint the spirit auctores provided a platform for both the quietist intellectual Salafi protagonists of Nigeria on the one hand and the Jihadi Salafi interlocutors on the other The most illustrious exponent of the latter category is Boko Haram This paper gives an overview of the history of Salafi and Jihadist narratives in Sudanic Africa with particular attention to Boko Haram of Nigeria as it now assumes a wider regional profile in Muslim West Africa **On the Crisis of Boko Haram**

Terrorism Sogo Angel Olofinbiyi, 2023-10-01 The book provides a pentapartite theoretical analysis of socio economic factors as the grand basis for the evolution of Boko Haram terrorism in Nigeria It describes the terrorism as a by product of unresolved conflict emanating from unequal hegemonic power exchange with respect to the non fulfillment of socio economic goals between the political state and the citizenry Rather than follow the popular notion of religion as the root causes of Boko Haram crisis the book widens its scope to cover terrorism as a whole with a view to laying a more viable foundation for its readers to understand the concept of terrorism provoking causes and perspectives as well as influential factors that may interplay to sustain extremist terrorism in contemporary global society Using Boko Haram as a potentially useful model the book contends that the discursive framework of terrorism cannot be isolated from its socio economic perspectives In view of the foregoing the simplistic response to resolving terrorism crisis in Nigeria still lies at the heart of ameliorating the socio economic conditions of the citizens via the political state The book will be appropriate for individuals whose interests are vested on terrorism and homeland security terrorism and counterterrorism studies criminal justice and organized crime terrorism and political violence African politics peace and conflict resolution as well as security and conflict management Counter terrorism experts policy makers academic scholars intelligence and security operatives will also find this book resourceful Ultimately as interest in terrorism studies continues to grow exponentially among Sociologists Anthropologists and Criminologists it is my utmost quest to provide the most invaluable themes and updated theories in terrorism research for use by independent researchers students and academics seeking to advance empirically and theoretically driven research in the fields of terrorism homeland security and related crimes

Whispering the Techniques of Language: An Psychological Journey through **Boko Haram Inside Nigerias Unholy War**

In a digitally-driven earth where screens reign great and instant interaction drowns out the subtleties of language, the profound strategies and emotional subtleties concealed within phrases often get unheard. However, set within the pages of **Boko Haram Inside Nigerias Unholy War** a fascinating literary value sporting with natural emotions, lies a fantastic quest waiting to be undertaken. Written by an experienced wordsmith, this wonderful opus invites readers on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the very cloth of each and every word. Within the emotional depths of the poignant review, we shall embark upon a heartfelt exploration of the book is primary themes, dissect its captivating publishing style, and succumb to the strong resonance it evokes deep within the recesses of readers hearts.
