Ipsative standards compare a student's prior performance to his current performance.

According to research, how long should a teacher wait after asking a question?
3 seconds or more

What does checking for understanding allow a teacher to assess?

it allows the teacher to know if they need to further scaffold instruction, the skills the students have mastered, and insight as to why a student is thinking a particular way.

What should the teacher explicitly state during direct instruction?

The teacher needs to explicitly state the objective (what is being taught) and the purpose (how and when it will be used.)

Which of the following statements best summarizes the characteristics of effective feedback?

In order to give effective feedback, the teacher and student need to understand a clearly defined goal, evidence of the student's present work, and a way to close the gap between the curriculum goals and the current work

What does modeling allow students to better understand?

Modeling allows students the opportunity to observe the demonstration of a skill or problem solving strategy by an expert and develop inner dialogue when deconstructing a question or problem.
